

**The H1N1
Influenza
Vaccine
is now
available**

The H1N1 vaccine is now available for anyone who wishes to receive it, while supplies are available. Please schedule your appointment through the website below. Note that some locations offer nasal spray and / or injectable forms of the H1N1 vaccine.

Schedule an appointment online for ANY of these locations!

Visit www.greatersomerset1n1.org or call the Greater Somerset 'H1N1 Shotline' at 908-533-9330. All clinics are free and open to anyone who wishes to receive the vaccine. *Additional dates will be added as vaccine is received;*

Appointments strongly recommended; Walk-ins taken while vaccine is available.

All clinic times are 4:00 pm - 7:00 pm, unless otherwise noted.

Please wear short sleeves! *The JANUARY Clinic Dates are:*

Public Health
Prevent. Promote. Protect.

These clinics are sponsored by the The Greater Somerset Public Health Partnership, which includes: Bernards Township Health Department, Branchburg Health Department, Bridgewater Health Department, Hillsborough Health Department, Middle-Brook Regional Health Commission, Montgomery Township Health Department, Somerset County Health Department and the Somerville Health Department.

These departments serve all of Somerset County, and parts of Morris and Middlesex Counties
