Hillsborough Honors Veterans At Annual Memorial Day Celebration

Hundreds of Hillsborough residents lined the streets on Saturday, May 26th to honor Township Veterans along the annual Memorial Day parade route and Garden of Honor Ceremony. The day's events began early with Hillsborough Township's Salute to Veterans Breakfast held at the Peter J. Biondi Building on the grounds of the Municipal Complex.

The Parade, led by Air Force Veteran, Tim Coyle, began immediately after the breakfast. Following the parade, Mr. Coyle shared what Memorial Day means to him in a moving speech at the Garden of Honor Ceremony.

LCPL James E. Langon Street Naming Ceremony Wednesday June 13th, 6pm

The Township Committee acted on the request and approval of the LCPL Langon Way Street naming project by passing a resolution on March 25, 2014 adding the name to the future street listing.

"Hillsborough Township in conjunction with VFW Post #8371 will be hosting a dedication ceremony."

"A 1981 Hillsborough High School Graduate, CPL James E. Langon was proud to have made the sacrifice to join the Marine Corps. to serve and protect this great country.

CPL Langon, and fellow Marine members were killed in a "Peace-keeping Mission" while stationed in Beirut, Lebanon in 1983. For years, the families and loved ones of these great men thought that their sacrifice was not recognized. This is our effort to relieve some of those thoughts as we are honoring CPL Langon.

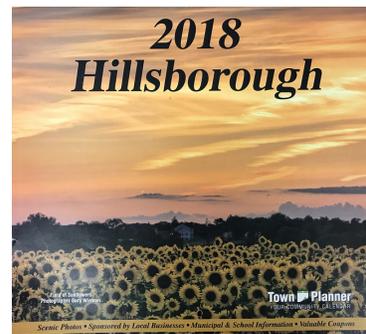

We invite the public to join us for this heart warming Ceremony, as we also reached out to family and friends of CPL James Langon, to join us for this special event, and celebrate one of our own community members lives, along with the fellow Marine Corps. members who sacrificed their lives on that tragic day.

Township to Collect Scenic Photos for the "2019 Town Calendar"

"The Township is pleased to be working with the Town Planner Calendar to produce a 2019 color printed calendar which will be mailed out to every residence in Hillsborough, at no cost to our taxpayers," announced Mayor Gloria McCauley at Tuesday's Township Committee Meeting.

"The printing of the calendar is funded through the various advertisements contained within the calendar," added Mayor McCauley.

Department Updates

Building Department

*Things to Know if you
are Planning to Install a
Deck*

This summer, if you are planning on installing a deck, there are a few things you need to know.

First visit the Hillsborough Zoning Department to obtain a Zoning permit. Before submitting to the Building Department, it is suggested that you pick up a handout for deck installations and read it through carefully. The Building Department application will require the following documents...

- Zoning Approval
- Permit application folder
- Building Subcode Technical section (tech card). Please note that additional tech cards may be required if you are installing Electric or Plumbing.
- If you have hired a builder, include a copy of the Home Improvement license
- 2 copies of plans are required (plan requirements/details are in the Deck Handout). In New Jersey, only Home Owners and Design Professionals (i.e - Architect or Engineer) are allowed to

draw these plans. Your contractor is not permitted to draw the plans.

For any Additional questions, please Contact The Building Department or stop in for further information.

Engineering

New Amwell Road Repavement - Residents Should Schedule New Utility Hook-Ups ASAP

The Engineering Department would like to inform residents that New Amwell Road will be repaved in the next few weeks. The Township requests residents who live on the section of roadway being repaved that have planned new utility hook-ups to their homes should arrange for them ASAP. Utility hook-up usually requires an excavation of the roadway and the Township requests this to be completed prior to the repaving.

Additionally, deteriorated curbs on the section of the roadway being repaved will be replaced. Affected residents will be without use of their driveways approximately 3-5 days. Residents will be notified of parking arrangements.

Health

Lyme Disease Prevention

Warm weather is finally here and we are all spending more time outdoors. Although we are getting fresh air and exercise, we are also exposed to ticks which carry disease. The most prevalent tick borne disease is Lyme Disease, which is carried by the Deer Tick, otherwise known as the Black Legged Tick. Click below to view an educational video about tick bite prevention put together by the Hillsborough Health Department.

Police

Graduation Season

This time of year the Police Department normally sees an increase in calls for loud parties and underage drinking. State law restricts adults, not only from providing alcohol to underage persons, but also from allowing their property to be used for underage consumption of alcohol, even if they themselves did not provide the alcohol. Residents are asked to be mindful of legal & safe celebrations this graduation season.

Temporary Handicap Parking Permits

Residents with a temporary disability can apply for a Temporary Disabled Parking Placard that is valid up to 6-months, and must apply in person to the Police Department. However, the Police Department

obtains the placards from the NJDMV, and they are currently behind on their shipments of placards. Residents applying for placards can expect a delay in receiving it until the problem is rectified at NJDMV.

Recreation

Parks & Recreation is proud to announced the addition of two new pickleball courts located on the basketball courts of the Willow Road Complex. All you need to bring is your paddle and ball!!

There is still time left to register for this summer's activities such as summer day camp as well as summer sports camps, most of which are being run by the HHS Coaching Staff.

Save the date of June 30th for this year's Independence Day Celebration Fireworks located at Auten Road School. Shuttles from the high school will begin at 5PM with the fireworks shooting off sometime around the 9:30PM time frame. Come and enjoy offerings such as live music, food tent, inflatable attractions and pay to play boardwalk games.

Library

Your Home, Your Haven: Backyard Friends and Foes (adults)

June 19, 7-8 p.m., SCLSNJ's Hillsborough Library branch, located at 379 South Branch Road in Hillsborough

Master Gardener Lorna Fletcher will discuss how to attract certain wildlife to your backyard and how to protect your yard from destructive wildlife.

Residents in the News

Somerset County Honors Gregory Gillette with History/Leadership Award

Gregory W. Gillette of Hillsborough was honored at Somerset County's 2018 Biennial Historic Preservation & Historic Awards Ceremony held on May 23rd at the historic Brook Arts Center in Bound Brook.

Mr. Gillette received the History Leadership/Education award and was recognized

for his in-depth blogs, "Gillette on Hillsboro" and "The View from Hillsboro" (hosted by My Central Jersey). These highly informative, online resources, active for over 10 years and counting, contain hundreds of well researched articles on historic topics centered on Somerset County.

The Biennial Historic Preservation and History Awards are intended to increase public awareness of historic preservation, and to recognize and publicly commend individuals and organizations for their contributions in preserving the county's history.

Hillsborough High School Sophomore Is Youngest "Hop" Winner

William Gillette, a sophomore at Hillsborough High School, was the first place finisher at the 2018 Somerset County YMCA Hillsborough Hop 5k Run held Saturday, June 2nd. On what turned out to be a sunny, but very humid, morning the 16-year-old bested the field of more than 750 with a time of 18:39. At sixteen years, two months, and one day, William became the youngest first place finisher in the 17-year history of the 3.1 mile road race. He is a three-season runner at the high school, competing in Cross Country, Winter Track, and Spring Track.

The Hillsborough Hop is an annual event that helps raise funds for the YMCA to make sure their programs and services are available to all, regardless of income. As stated on the Hop web site, the race "brings families and the community together in a fun race that encourages everyone to strive for and reach a personal goal." The day also includes the Healthy Hillsborough Health and Wellness Fair just past the finish line in the Peter J. Biondi Municipal Complex.

Isabella Ruh to Take Part in Envision's National Youth Leadership Forum: Pathways to STEM

This summer, Isabella Ruh from Hillsborough, NJ will join outstanding elementary school students from across the nation to take part in a unique academic development experience, the National Youth Leadership Forum (NYLF): Pathways to STEM, taking place this summer in Trenton, NJ.

NYLF Pathways to STEM is one of the Envision family of programs (www.envisionexperience.com) that enable students to explore their interests and experience learning beyond the classroom.

Isabella was nominated to attend the forum by her third grade teacher at Triangle Elementary School. In addition to

participating in the REACH program, Bella is also passionate about sports and plays baseball, field hockey, basketball, and flag football on local Hillsborough teams and is working towards her black belt in taekwondo. With dreams of being in the engineering and technology field, Isabella is looking forward to gaining the hands-on technology experience that the forum provides.

"NYLF Pathways to STEM is a great opportunity for high-achieving scholars to get outside the classroom and see, through hands-on interactive learning, how to innovate and think creatively," said Andrew Potter, the Chief Academic Officer for Envision. "These students, who have already proven themselves academically, are challenged to work on real-world, student-created projects to bring their studies and career interests to life."

Since 1985, Envision programs have served more than 800,000 students in more than 145 countries, with programs designed to help students develop the leadership, scholarship and career skills needed to succeed in today's competitive college and career landscape.

News You Can Use

Millstone Valley Preservation Coalition Announces Upcoming Events

**Take your feet to the streets and enjoy the day with family & friends along the scenic D&R Canal
Sunday, June 10th, Sunday, July 8th, and Sunday, August 12th**

You asked and we made it happen! On three upcoming Sundays, Canal Road will be closed to vehicular traffic between Griggstown & Rocky Hill from 10 am to 4 pm. Bring your family and friends, pack water and a snack and stroll leisurely or ride your bicycle down traffic and noise-free Canal Road to view historic homes from the street. For a change of pace, you can choose to get closer to nature and take the scenic route back to Griggstown along the canal path.

This event made possible by Millstone Valley Scenic Byway, Franklin Township and the Franklin Township Police Department. To learn more about Millstone Valley Scenic Byway, visit their [website](#). For a more detailed history of the Millstone Scenic Byway check out Linda Barth's book entitled "*The Millstone Valley Through Time*".

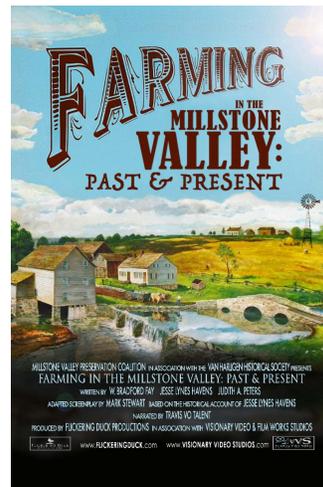

World Premiere of the film "Farming in the Millstone Valley Past & Present" Tuesday, June 12th at 7:30 pm - Princeton Garden Theatre

300 years ago, Dutch farmers began arriving in the Millstone Valley and built central New Jersey into the breadbasket of New York City. Today the farm-to-table renaissance has rejuvenated farming and inspired a vibrant restaurant scene. Learn the story behind local landmarks and farm families in the world premiere of this new documentary.

This film is made possible, in part, by the New Jersey Historical Commission, a division of the Department of State through the State/County History Partnership Program Grant, and administered in Somerset County by the Somerset County Cultural & Heritage Commission.

Followed by a panel discussion with Jon McConaughy, owner, Double Brook Farm, Brick Farm Market, Brick Farm Tavern in Hopewell; Raoul Momo, co-owner of the restaurants Eno Terra in Kingston and Mediterra in Princeton; Lauren Nagy, manager of Cherry Valley Cooperative farm in Montgomery; Dale Johnson, operator of Johnson Farm in Montgomery Township; and Ryck Suydam, President of the NJ Farm Bureau and owner of Suydam Farm in Franklin.

[Buy Tickets Online](#) or at the Door

Friday, June 15 @ 7:00-8:30 PM - Second Floor of Farm Barn, Duke Farms

You've heard of the Delaware River, but have you heard of this island? Petty's Island sits between Philadelphia and Camden and is the fourth-largest island in the Delaware River's path. With a long history of owners, the now uninhabited island holds much potential for environmental conservation. However, preservation wasn't always at the forefront when it came to Petty's Island.

Join us at Duke Farms for the screening of documentary film "500 Acres of Controversy: Saving Petty's Island". We will begin the night with hors d'oeuvres, commence film viewing, and conclude with a Q&A with Duke Farms Executive Director and Natural Lands Trust Committee Chairperson Michael Catania and Natural Lands Trust Real Estate Coordinator Manager Cari Wild.

Want to read up before you watch? You can learn more about Petty's Island [here](#).
