## Hillsborough Township to Hold Annual Purple Heart Ceremony at the Garden of Honor on Tuesday, August 7th @ 6 pm - Rain or Shine

"Hillsborough Township, a Purple Heart Community, will hold the Annual Purple Heart Ceremony on Tuesday, August 7th at 6 pm at the Garden of Honor on the Grounds of the Municipal Complex," announced Mayor Gloria McCauley at Tuesday's Township Committee Meeting.

The 6 pm ceremony will be held rain or shine. Light refreshments will follow the ceremony.

"It is our honor to host this significant commemoration ceremony in honor of the Military Order of the Purple Heart. All Hillsborough residents are invited to attend the ceremony," added Mayor McCauley during his remarks at the meeting.

The Purple Heart, the most recognized medal of the armed forces, is awarded to those serving in the armed forces that are injured or killed while serving in combat. It was originally introduced by George Washington as the Badge of Military Merit in 1782. It is the oldest military award given to U.S. military members.

A Purple Heart Monument was dedicated to the Township at the first Purple Heart Ceremony on behalf of Chapter 27 of the Military Order of the Purple Heart. The first annual ceremony was held at the Township in 2012. The monument proudly resides at the Garden of Honor.

## Rotary Fair/Business Showcase to Begin Second Decade as Hillsborough Tradition

The week-long Rotary Fair/Business Showcase, scheduled for Tuesday, August 14 – Sunday, August 19, at the Hillsborough Promenade, 315 Route 206, begins its second decade of operation under Rotary leadership this summer. Attendance has averaged 15,000 annually, making it one of Hillsborough's most popular and enduring community events. Once again, a dizzying array of thrill rides, games, food, vendor displays and a special fireworks show are planned.

"The Fair is a perennial favorite for our residents," commented Greg Burchette, president of the Rotary Club of Hillsborough, "but it is also our most important fundraiser, allowing us to help support a wide range of charitable organizations and causes throughout the year."

The Rotary Fair features 21 amusement rides by Majestic Midway Amusements, games by Paladin Amusements, a DJ, a wide selection of food, various displays by area vendors and a petting zoo. Featured rides include the Himalayan, Bumper Cars, Ring of Fire, Super Shot, Sizzler, Zipper, Carousel, Kite Flyer and many more. This year, Tuesday, Thursday and Saturday will be pay-one-price (\$30) wristband nights. All proceeds raised at the fair are returned to the community as contributions to local community service organizations.

## Join the Hillsborough Music Festival!

The Hillsborough Music Festival is returning to the Hillsborough Promenade (in the field next to Lowe's) on Saturday, August 4, 2018. As in previous years, the 2018 festival is free to the public and co-sponsored by Allegra School of Music and Arts and Hillsborough Township. The HMF will feature outstanding and diverse local bands, solo artists, great food, vendors, and children's activities. Since 2010 the festival has raised funds for youth suicide prevention through outreach, education, and mental health awareness programs. This is a family-friendly outdoor festival dedicated to saving the lives of our children. We invite local businesses, sponsors, and community members who want to join this festival to add their time and resources to support this great day.

## Department Updates

### Building Department

#### Closing Out Permits

With summer here, it is the peak of the construction season. Don't forget, once you receive your Construction Permit it is important to get all of your Inspections. Permits will remain open until all Final Inspections have passed. This is important to remember, especially when selling your home!

---

## Engineering

Summer has arrived and many homeowners may want to improve their property by adding or removing soil.

### *Soil Permit Ordinance*

The Engineering Department is advising residents to be cautious about accepting soil for their property. Some have accepted soil from locations which could possibly contain debris, rubble or other contaminants. In one case, a resident accepted "free" soil which ended up being contaminated material. The homeowner had to pay to have the soil removed and afterwards learned the soil was from a construction site. The free soil turned out to be a very expensive undertaking. It is recommended you purchase soil from an approved soil supplier or make sure they are certified by the New Jersey Department of Environmental Protection Agency.

Hillsborough Township has a Soil Permit Ordinance designed to protect residents against such occurrences. It prohibits the importation of soil without first obtaining approval from the Engineering Department. If the soil is from an unknown source lab testing of the soil will be necessary. If you are thinking of improving your property, before you either remove or accept soil, dirt or other fill material, be sure to contact the Engineering Department to advise and obtain the proper permit. The Hillsborough Engineering Office can be reached at 908-369-4460.

Following the proper procedures can save residents from significant costs associated with removal of contaminated soil as well as preventing penalties.

---

## Finance

### *3rd Quarter Estimated Tax Bills*

The 3rd Quarter estimated taxes were mailed on July 11th. These bills only reflect the amount due for the 3rd quarter until the Township receives the certified tax rate from the county. If you earned a Shop Hillsborough credit, this bill will reflect that reduction. Please be aware the estimated tax bill is a single sheet that is pink and white, and that payment is due no later than August 10th.

---

## Health

### *Protect Yourself from the Sun's Harmful UV Rays*

The Health Department reminds everyone to use sunscreen to protect yourself from the sun's harmful UV rays which can cause cancer. Using at least SPF 15 broad spectrum (UVA and UVB) protection can help to prevent skin cancer. The skin cancer screenings held at the township's Green Living and Wellness Fairs have detected malignant melanomas in participants who walked in for a check. It is important to know what to look for and check yourself, as well as to have your doctor check anything unusual, like any changes in appearance of a mole on your body. Please see [www.cdc.gov/cancer/skin/index.htm](http://www.cdc.gov/cancer/skin/index.htm). Learn how to prevent sun exposure and what to look for.
