[Second Annual Overdose Awareness Day](#)

On August 30th, Hillsborough Township was the host for Somerset County's 2nd Annual Overdose Awareness Day to remember and honor those loved ones lost to addiction. Pastor Tim Wolf moderated the evening that was kicked off by Somerset County Freeholder Deputy Director Brian Levine. Somerset County Prosecutor Michael Robertson spoke regarding various statistics and then the remaining panel shared their personal stories of how addiction and overdose impacted their lives.

[Hillsborough Township, Somerset County Freeholders Along with APEX to Break Ground for New Sports Complex](#)

Somerset County Freeholders, Hillsborough Township officials and the project developer will be joined by local sports teams and families as they break ground THURSDAY, SEPT. 27, at 6 P.M. for the Apex Sports & Events Complex.

Participants will gather at the eastern end of Mountain View Park, located immediately adjacent to the Apex property off Mountain View Road.

The Board of Freeholders has authorized a property swap with developer and township resident Gregg Wilke, enabling him to build the sports complex next to the county-owned park in exchange for turning

over 19.5 acres of land he owns on nearby Hillsborough Road. The site will become part of the county's farmland preservation program.

[Hillsborough Students “Coaching to Contribute” to Benefit Indian Villages](#)

Hillsborough High School seniors Rohan Singh and Ritik Gupta have recently shipped over one thousand pounds of donated traditional Indian clothing to various locations in India through their nonprofit organization, Coaching to Contribute. To pursue this initiative, the pair partnered with the shipping company, Universal Relocations, and nonprofit organizations Pathshala and Sevathirth, both of which are located in Vadodara, India. A portion of the donations were also sent to J.S.M. Public School located in northern India. The clothing was distributed to numerous people in need, ranging from young children, as young as five years old, to widowed women in their late sixties. Ritik and Rohan plan to continue sending these shipments and hope to soon broaden the scope of their organization's influence.

Wednesday, October 17, 2018

Watch latest episode of "Hillsborough The Good Life!"

Season 3 - Episode 6

Department Updates

Building Department

The Building Department is now offering narrower windows for inspections times. Inspections can be scheduled in the morning (8 am -12 pm) or afternoon (11 am - 3 pm).

Business Advocate

Tickets are now on sale for the next HBA Business Social, which will be held on Tuesday, October 16th from 6 to 9 pm at the brand new Camp DeWitt Conference Center.

The event will feature comedy entertainment by a top headliner at the Borgata Casino, John "Gemini" Lombardi. Additionally, 21st Century Librarian Catherine DeBerry will talking about how the business community can access over \$85,000 worth of business resources. The price of admission is \$15.50 and includes food provided by Catered Affair. A cash bar will be available. Go to Hillsboroughbusiness.org to purchase tickets.

Engineering Department

Road and Sidewalk Repairs

The Engineering Department would like to share with residents that the Township maintains over 530 lane miles of roadways and 115 miles of sidewalks. To put that in perspective, the distance from New Jersey to Maine is approximately 500 miles.

The Engineering Department notes that all reports of potholes, and poor road and sidewalk conditions need to be brought to the attention of the Public Works Department, not the Engineering Department. If a roadway is not scheduled for full repaving, repairs can be completed by the Public Works Department until a road is fully repaved. The Engineering

Department does not schedule maintenance repairs. The Engineering Department, along with the Public Works Department, ranks full road repaving based on traffic volume, type of road and conditions.

If roadways are approved for funding by the Township Committee for repaving, the Engineering Department will then administer the bidding process and inspection of the repaving. Also, full repaving falls under Federal and State mandates that storm water drainage inlets and handicap sidewalk ramps be retrofitted to the latest standards. These retrofits are a very costly part of the repaving project and drives up the total repaving costs.

Finance Department

Final 2018 tax bills were mailed earlier this week. If you were eligible for a 2015 Homestead Benefit, your 4th quarter bill will reflect that reduction. This tax bill mailing will also include billing for the 1st and 2nd quarter of 2019.

Health Department

Get Ready For Flu Season

The Center for Disease Control recommends that everyone age 6 months of age and over be vaccinated against the flu. In New Jersey, children ages 6 months to 59 months in public or private preschool must be vaccinated against the flu. Young children and the elderly, as well as those with chronic conditions and those with weakened immune systems are most vulnerable to serious complications from the flu.

Walgreens will be offering 2 clinics for individuals aged 12 and up at the Hillsborough Municipal Building on October 2nd and October 16th from 3:00 pm to 6:00 pm.

Please see the [Get Read For Flu Season](#) page on the Health Department website for information on the insurances accepted and the cost without insurance, as well as other ways to help prevent the flu, and how to care for family members with flu.

Office of Emergency Management

Somerset County C.E.R.T. October Training

Community Emergency Response Team (CERT) is an all-hazard, all-risk training program designed to teach you how to protect yourself, your family, your neighbors and community during a disaster situation. CERT training promotes a partnering effort between emergency services and the people in the communities they serve.
