## Building Department

### *Winterize Your Home*

The Building Department is pleased to announce an amnesty program, which will run until January 31, 2019. This program will excuse residents and business owners from getting penalized for having open permits, having previous work done without permits, failing to obtain a Certificate of Occupancy, and/or have an expired Temporary Certificate of Occupancy. If you visit the Building Department within this allotted time frame, we will assist you with gaining compliance for your projects. Permit fees will still be applicable but, again, you will not be penalized for noncompliance.

## Business Advocate

The Hillsborough Township Business Advocate encourages the business community to visit the newly updated HBA website at [www.hillsboroughbusiness.org](http://www.hillsboroughbusiness.org), to update their business profiles on the Hillsborough Township Business Finder. The contract was awarded November 20, 2018. Once materials and supplies are ordered, construction will begin. The contractor indicated construction should commence approximately April 2019.

## Finance Department

## Health Department

If you live in a house that was never tested and was built on or before January 1, 2002, these kits will help you to determine your risk and what prevention system, if any, is necessary. One kit per residence will be provided.

### *Free Rabies Vaccination Clinic*

Annual Free Rabies Vaccination Clinic to be held on Saturday, January 26th at the Hillsborough Township Department of Public Works Yard located at 21 East Mountain Road. No pre-registration is necessary. Dogs must be leashed and cats are required to be in a secure carrier.

### ***Plan for your Pets during an Emergency***

Our pets are members of our families. When preparing for emergencies, make sure you consider your pet's needs. There are several situations to be prepared for:

1. Sometimes you may not be able to get home. A buddy system with a trusted friend or neighbor can help. If you can't get home, be sure you have provisions for you pets in the house and someone to contact to check on them.
2. Sheltering at home-Make sure you have enough food and water for your pets.
3. Evacuation- You can find a trusted friend who lives outside your area who may be able to care for your pet. Or you may have to take your pet with you. There are several things that should be done to prepare, including having medical records, identification information and photograph ( with you and pet), and other things. Please check out [www.animalemergency.nj.gov](http://www.animalemergency.nj.gov) for detailed recommendations. Also [www.ready.gov](http://www.ready.gov) has good information.

### **Police**

The Police Department reminds residents that NJ law requires all snow and ice to be removed from vehicles' hood, windows and roof before driving. For your safety, drive slow & adjust your speed for the changing road conditions and increase your following distance from other vehicles. Give snowplows and sander vehicles plenty of room to work. Don't tailgate and try not to pass them as their field of vision is restricted - you may see them but they don't always see you!

---

### **Public Works**

There is a prohibition of parking on snow covered roads. Township Code Chapter 143-21 prohibits parking on snow covered roads. When snow is anticipated, use off street parking as an alternative. Vehicles are subject to summonses and the potential of being towed at the owner's expense.

Whenever snow has fallen and the accumulation is such that it covers the street or highway an emergency shall exist, and no vehicle shall be parked on either side of any of the streets or parts thereof as described in Schedule XVI (§ 143-45) of the Township Code. It is necessary to have the streets accessible and free from parked vehicles to allow for the plows to complete their work.

For the safety of our residents, your vehicles and the effectiveness of Public Works plowing and salting efforts, it is imperative that residents adhere to these restrictions. The parking prohibitions shall remain in effect after the snow has ceased until the streets have been plowed sufficiently and to the extent that parking will not interfere with the normal flow of traffic.

### **Recreation**

#### ***Registration Open***

Registration is currently ongoing for ALL winter programs. Spring Girls Softball leagues and Spring Soccer leagues are also open for registration. Don't miss out on the fun. Register today!

## Social Services

*'Tis the Season to Spread Joy... Sponsor a Family in Need for the Holidays*

It's the time of year to spread holiday cheer and joy, and the Hillsborough Township Community Assistance Network is gearing up for the holidays with its annual Holiday Program for Township families in need.

The Social Services Department still has a few families that are in need of a sponsor for holiday gifts, and is looking for residents who are willing to sponsor those families enrolled in the Holiday Program.

Sponsor families are asked to provide three gifts per person in the adopted family. To make shopping easier, each adopted family is asked to provide their sponsor with a wish list to use as a guide. Sponsors may "adopt" a whole family or just one member to provide holiday gifts and cheer.

All items purchased for families in need are due back in the Social Services Department by Tuesday, December 18th in order to be distributed in time for the holidays.

For additional information or to adopt a family, please email the Social Services Department at [cfaerber@hillsborough-nj.org](mailto:cfaerber@hillsborough-nj.org) or call 908-369-3880.
