### Hillsborough Township Moves Forward on Roadway Infrastructure Improvements - Accelerated Paving Plan Proposed

Hillsborough Township took the first step Tuesday evening at the Township Committee meeting to secure funding for various roadway improvements. An ordinance was introduced to appropriate \$8,500,000 for Township wide road improvements. The total bond issuance of \$8,075,000 will be utilized to finance the project. The Township maintains AA+ rating, yielding a favorable borrowing environment.

Roadway improvement projects are now more costly than in the past as a result of mandated ADA requirements and NJDEP Storm Water Regulations. These mandates account for between 6-10% increase in project costs. The ADA requirements include handicap ramps to provide better access and mobility for our handicapped residents. The Storm Water catch basin retrofits meet the NJDEP

requirements and also provide a sustainable component, which the Township is Sustainable Jersey Silver Certified.

"The Township maintains a 5 year roadway plan," commented Mayor Gloria McCauley during the introduction of the ordinance. She went on to explain that historically over the past 10 years 14 roadways comprising 20.33 miles have been repaved. In addition, the Township performs an extensive chip sealing program which enhances the longevity of the roadways; over 20 miles of Township road ways have been chip sealed over the past 10 years.

## Shawn Lipani Selected By The Township Committee To Fill Burchette's Unexpired Term

*Pictured: Committeeman  
Shawn Lipani*

At the Tuesday, August 14th Township Committee meeting, the Township Committee selected Shawn Lipani as the new Committeeman to fill the vacancy of former Committeeman Greg Burchette.

Lipani is a life-long resident of Hillsborough and has been active in the community for many years, serving on many Township Boards and Commissions. He is an active member of the Rotary Club of Hillsborough. A graduate of the University of Rochester majoring in Political Science and minoring in International Relations, Lipani co-manages Central Jersey Nurseries, a family-owned business in Hillsborough. Shawn resides with his wife Tara and daughter Anastazia.

Former Assemblyman Jack Ciattarelli conducted the swearing in for the new Committeeman.

## Rotary Fair Opening Night

Despite the looming clouds and imminent rain, the Rotary Fair opened this past Tuesday night. Mayor Gloria McCauley was there, along with Deputy Mayor Doug Tomson and Hillsborough Rotary members to cut the ribbon, officially opening the fair.

The fair is the premier fundraiser for the Rotary Club of Hillsborough, and enables the Club to make financial contributions to a wide variety of community organizations and causes throughout the year.

If you haven't made it to the Rotary Fair yet this season, there's still time. The fair runs through Sunday, August 19th. On Friday night, there will be a spectacular fireworks display sponsored by Petrock's Bar and Grill. Saturday is the final wristband night when guests can pay one price (\$30) and ride free all night.

The Rotary Fair is located at the Hillsborough Promenade (adjacent to the Lowe's parking lot) off Route 206.

## Health Department

### *Get Ready For Flu Season*

The 2018-2019 flu season is approaching fast. The Center for Disease Control recommends that all people over the age of 6 months be vaccinated by the end of October. All preschool age children from age 6 months to 59 months must be vaccinated against the flu in order to attend school. Remember that you cannot get the flu from the flu shot and the flu shot takes 2 weeks to be fully effective. Please read [reasons to get a flu vaccine by the Center for Disease Control](#). This document also lists conditions that increase the risk of complications from the flu, since people with immune deficiencies, chronic conditions, the elderly, and young children can be at a greater risk of complications from the flu which may be severe.

There is sometimes confusion about what is flu and what is a cold. Generally, flu causes fever, body aches and pains, fatigue and weakness, chest discomfort and cough. Sometimes there are other symptoms as well. [Read more about when to suspect the flu](#)

If you think you have the flu, stay home from school or work, drink fluids, rest, and call your doctor. There are antiviral medications that can be prescribed that will help you get better faster if taken early. [Read more information about how to care for yourself and family members with the flu](#) and dangerous signs to look for in young children and adults.

The Health Department will co sponsor several vaccination clinics this year. Information about the health insurances that will be accepted and the cost for those without health insurance is posted on the Health Department website.

**Thursday, September 13**, from 3:00 to 4:30 PM at the Hillsborough Municipal Building. Green Brook Family Medicine will be here to vaccinate those ages 6 months and up.

**October 2, and October 16** Walgreens of Hillsborough will be at the Municipal Building from 3 PM to 6 PM.

Please bring your health insurance card to the clinics.

In the top left corner is the Hillsborough Township seal, which is circular and contains a plow, a sheaf of wheat, a scale of justice, and a book, with the text "HILLSBOROUGH TWP. NEW JERSEY" around the perimeter. The main title "BACK TO SCHOOL SUPPLY DRIVE" is written in large, white, serif capital letters. Below the title, the text "Items we are in need of:" is followed by a list of school supplies. At the bottom, there is a paragraph of text explaining the purpose of the drive, the location for dropping off supplies, and the hours. The poster is sponsored by the Hillsborough Township Community Assistance Network, with the phone number 908-369-3880.

## Mushroom Poisonings Up in the Garden State - State's Poison Center Braces for These Preventable Injuries -

"Picking and eating mushrooms growing in gardens, on lawns, in fields or in the woods is a dangerous game," says Diane Calello, MD, NJ Poison Control Center Executive and Medical Director, Rutgers NJ Medical School's Department of Emergency Medicine. "Even experienced mushroom pickers are fooled by toxic look-a-likes at times."

A good portion of the summer has been plagued by soaring temperatures, high humidity and soaking rains – the perfect recipe for a dangerous mushroom season in the Garden State. So far, 45 mushroom exposure cases were managed by the medical experts at the NJ Poison Control Center since the beginning of July. Sadly, some of these cases have resulted in emergency room visits. Symptoms of mushroom poisoning include intense vomiting and diarrhea, dehydration, damage to vital organs like the liver and even death.

#### Snapshot

- Date range: July 1 – August 13, 2018
- Number: 45 exposures (38 human, 7 animal/pet)
- Age of patients: 9 months to 70 years old
- NJ Counties: Exposures reported in 15 of 21 counties

- Seen in hospital emergency rooms: 13 patients

“This is a serious issue. No matter the scenario, it is unsafe to pick and eat mushrooms found in the wild,” says Calello. Don’t be fooled – many edible mushrooms have toxic look-a-likes. The cooking process does not prevent the toxic health effects of some mushrooms. Depending on the type of mushroom, eating even a few bites can cause serious health concerns. “It is rare that an injury is truly preventable, but that is the case here. Fortunately, mushroom poisoning can be prevented by simply not eating wild mushrooms.”

## A Good Neighbor is Banking on the Notion That Better Mental Health is Also Great Business

Paul Porto is manager of the Fulton Bank office in Hillsborough, one of more than 250 Fulton Bank locations in New Jersey and the four surrounding states. Porto, in concert with Fulton, also happens to be one of the biggest area supporters of Carrier Clinic and its annual Walk of Hope.

Now in its eighth year, as Carrier’s annual September fundraiser, the Walk of Hope has gathered together thousands of people in a continuing effort to not only educate the public about mental health, substance abuse and treatment options, but to fund clinical programs and research in those areas.

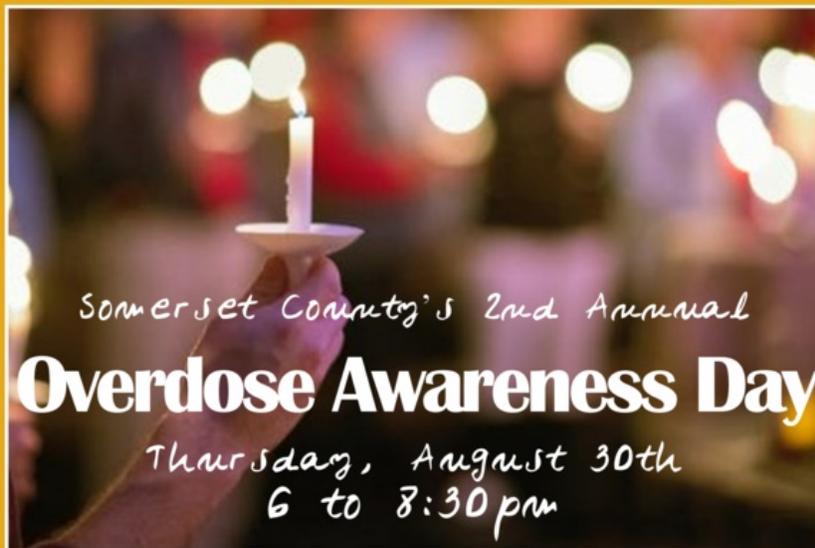

Fulton Bank, at Porto’s urging, came on board as a sponsor of the Walk of Hope in 2014, when Porto joined the Walk of Hope planning committee, on which he serves to this day.

### Next Document-Shredding Event - Aug. 25

"Operation Secure Shred" – the free document-shredding program for Somerset County residents – continues Saturday, Aug. 25 in Hillsborough at the Somerset County Public Works South County Facility,

The Somerset County Board of Chosen Freeholders and the county's Public Works Department invite residents to take advantage of the drop-off program for easy, no-hassle shredding of personal documents.

"Properly disposing of personal documents is a necessary step in safeguarding and protecting your personal information and credit and in preventing identify theft," said Freeholder Brian G. Gallagher, public works liaison. "We are pleased to be able to provide this very popular service to our residents again this year, in collaboration with our municipalities."

All events are held rain or shine, from 9 a.m. to 1 p.m., or until the trucks are filled to capacity, at which time they leave and the event is over for that day. A valid New Jersey driver's license to confirm Somerset County residency is required. Pre-registration is not required. No businesses and no commercial vehicles allowed.
