[Hillsborough Township Moves to Issue Temporary Outdoor Dining Permits](#)

On March 9, 2020, Governor Murphy executed Executive Order 103 declaring a statewide State of Emergency due to the COVID-19 pandemic, which was shortly thereafter followed on March 16, 2020 Executive Order 104 limiting all restaurants, dining establishments, and food courts, with or without a liquor license, all bars, and all other holders of a liquor license with retail consumption privileges, to offering food delivery and/or take-out services only, meaning that they could not allow the on-premise consumption of food or beverages. These limitations have resulted in significant financial loss and hardship to these businesses.

"We have been working with our business community during this pandemic on creative ways to promote their businesses amid the restrictions, such as the Hillsborough Open for Business promotional videos, website and Facebook updates for services and hours of operations and the Open Hillsborough Task Force," stated Mayor Doug Tomson.

[Hillsborough Parks & Recreation Announces In-Person Day Camp Taking Place This Summer!](#)

Hillsborough Parks & Recreation is proud to announce that in person day camp will officially be taking place this summer. This has been a long process over the past few months in putting a program together that meets the required guidelines and requirements from the state of New Jersey, though we can confidently say we have been able to accomplish just that.

Hillsborough Parks & Recreation COVID-19 Youth Summer Camp Standards

Hillsborough Parks & Recreation 2020 Summer camp will without a doubt look different than it has in past years, though we are still confident in the overall program that will be offered. First and foremost, the overall safety and health of our campers, staff and families is our number one priority and these new safety implementations should accomplish just that. Through this long process we have been taking in the necessary summer camp requirements and guidelines from parties such as both Local & State Health Department Officials, Local Emergency Management, the American Camp Association, New Jersey Parks & Recreation Association as well as the CDC.

Since COVID-19 began rules and regulations have been changing on a daily basis and we anticipate that will continue to be the case throughout the summer. Participants will be informed immediately will any required changes are deemed necessary.

Below are updated improvements and precautions that will be implemented for this summer's camp program. If you have any additional questions, please email recreation@hillsborough-nj.org.

Below are a few of the highlight points of the 2020 summer camp program:

- One camp location at Auten Road School
- Ages 5-13 (Must have completed kindergarten)
- Camp will operate over a six week period from 7/6-8/14
- Various time frames offered between 7:00 am - 6:00 pm
- See the [COVID-19 Summer Camp standards](#) for details and answers many families are looking for

Summer Camp Registration Deadline is Friday, June 19th . [Register here.](#)

[Reduce / Reuse Household Waste in Hillsborough](#)

While recycling is still extremely important, the most effective practices are aimed at reducing the amount of waste each of us create, and to find ways to reuse as much as possible. Making new products requires more materials, energy, and money than reusing. Finding ways to reduce and reuse is the best way to save natural resources, reduce the amount of material that is dumped in a landfill, and save money. [Read more.](#)

[Primary Election Update:](#)

- June 16th is the last day to register to vote in the July Primary.
- The Primary will be held on July 7th and voting by mail (VBM) for the primary is encouraged.
- All registered Democratic voters will receive a Democratic Mail In Ballot, with pre-paid postage.
- All registered Republican voters will receive a Republican Mail In Ballot, with pre-paid postage.
- All registered unaffiliated and inactive voters will receive a Mail In Ballot Application, with pre-paid postage.
- To receive the ballot by mail, the application must be received by the *County Clerk* seven (7) days prior to the election. A voter may also return the application in person to the *County Clerk* until Election Day, but the voted ballot must be returned by 8 pm. The *County Clerk* cannot accept faxed or emailed copies of a Application for Vote by Mail Ballot, unless you are a Military or Overseas Voter, since an original signature is required.
- There will be drop boxes located in several locations throughout the County. All voted ballots must be in a drop box, returned to the Board of Elections or postmarked by 8 pm on Election Day.
- **IMPORTANT TO NOTE:** In person voting will be via provisional ballot only, unless the voter is visually impaired or otherwise certifies to a disability which requires an accessible voting machine.
- All other voters who visit a polling location will be required to vote on a provisional ballot.

[Hillsborough Township Youth Services Commission Sponsors 5th Grade Running and Character Development Co-curricular Clubs](#)

The Youth Services Commission sponsors two 5th grade running and character development co-curricular clubs. The Girls **iRUN** (I am Responsible, Unique, Non-drinker) and the Boys **BLUR** (Boys Learning United through Running) are programs serving over 100 students in the Fall and Spring each year. There are four dedicated facilitators who guide and mentor students in the clubs. Among the topics that the clubs discuss, in a safe environment, are self-respect, confidence building, handling peer pressure, nutrition, and substance abuse prevention.

This Spring, the facilitators developed a virtual program that about 110 students will participate in and some of their parents will join as well. One of the highlighted events this year will be the Hillsborough YMCA's Hillsborough Hop Virtual 5K.

Hillsborough Township Municipal Services Open to Residents and Businesses

- Willow Road Phase 2 (between Valinor & Hillsborough Rd) is under NJDOT review and paving is planned for Fall 2020 or Spring 2021

Finance/Tax Collector:

- The Township will be issuing estimated 3rd quarter tax bills. The bills will be a small, single sheet and will be for the August payment only. The Shop Hillsborough credits will be applied to those bills as well. The Finance Department will be mailing the bills during the week of June 22nd.

Health:

- Reminder - be sure your pets are currently vaccinated against rabies and dogs are licensed. The dog license application or renewal can be found on the [Township website](#).
 - On the [Township website main page](#) there is a recycling icon - click there to learn more ways to recycle and reuse and ultimately consume less.
 - The Health Department continues to receive guidance from the State regarding opening procedures for child care facilities, summer camp and coming soon will be pool guidance.
-

Police:

- Through the collaboration with the Police, Engineering Department and Administration a letter was sent to the NJDOT to revisit the cost sharing of the Raider Boulevard dedicated left-turn arrow. The result was the Township is now not responsible for 25% of the electrical costs associated with the revision of the existing traffic signal on Raider Boulevard (dedicated left arrow).
-

Public Works:

- Public Works Department is back in full swing with its Annual Clean Up Drop Off Program along with many other infrastructure repairs and maintenance items.
 - Ditch maintenance completed this Spring to assure the proper flow of the water runoff from the more rural roadways.
 - Plan to start the crack sealing program which helps prolong the life of the roadways by keeping damaging moisture out of the subsurface materials of the road.
 - We urge everyone participating in any of our programs to read the new safety guidelines available [on our website](#).
 - Public Works Department would like to thank the Borough of Raritan for their donation of a Mack garbage truck that was headed for public auction. This will be utilized for our Senior Curbside Pickups and Clean Communities Townwide Clean Up days.
-

Parks and Recreation:

- Hillsborough Township Basketball Courts will be opened effective Friday, June 12, 2020. As per the Governor's Executive Orders relative to the COVID-19 Pandemic, social distancing is required and no organized or pickup games are permitted at this time. With the courts opening, this is a great time to work on your individual skills.
- Hillsborough Parks & Recreation is proud to begin offering virtual camps such as Basketball, tennis, soccer and Music Academy, with registration starting on June 10th, at 9:00 am. This is only the beginning of summer programming here in Hillsborough. Residents can expect both virtual and in person programs, camps and clinics as the summer moves forward. Continue to check the [Parks & Recreation website](#) and social media accounts for future release dates and information
- With the lifting of additional restrictions from the Governor on June 9th and increasing the amount of people that are allowed to gather we will be opening the dog park along with the skate park out at AVM on June 10th.

Social Services:

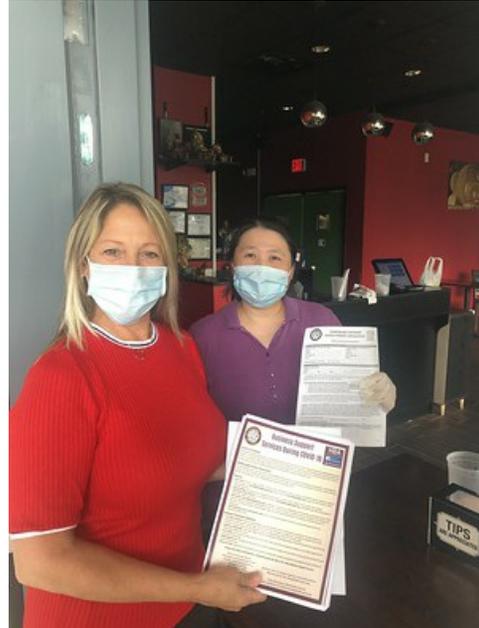

- For residents facing financial difficulties during this public health crisis, the Community Assistance Network is here to help. Through the generosity of our community the CAN provides non-perishable food products and toiletries. To apply for services, visit the [Social Services Department website](#) or call their office at 908-369-3880.
- The Community Assistance Network thanks the many residents and local organizations who have dropped off donations of groceries to the department

- and to those who have organized local food drives on our behalf.
- Royce Brook Golf Course continues to partner with Social Services in providing meals for a number of our seniors who are housebound with a limited capacity to obtain food amid the COVID-19 pandemic.

[JCP&L Annual Vegetative Management Aerial Patrol 2020](#)

Jersey Central Power & Light will be conducting their Annual Vegetation Management Aerial Patrol. Vegetation Management Aerial inspections are scheduled during the April through September time frame on an annual basis and cover all transmission facilities system-wide. Patrols consist of a Forestry Specialist who accompanies the pilot to identify effectiveness of prior year's herbicide application and identification of any conditions warranting further inspection from the ground and/or corrective action.

Please be advised that Haverfield will be the helicopter company assisting in the inspections on all JCP&L Transmission Lines, beginning June 15th through June 20th, weather permitting. The pilot will be in communication with any local airports when in their airspace. The helicopter will be flying at a speed of about 35-40 mph above or alongside the lines and may circle around for a closer inspection. The helicopter is a Black MD500 helicopter with red tail number N500LK.

Breakdown of Hillsborough Township Cases As Reported by Hillsborough Township Health Department

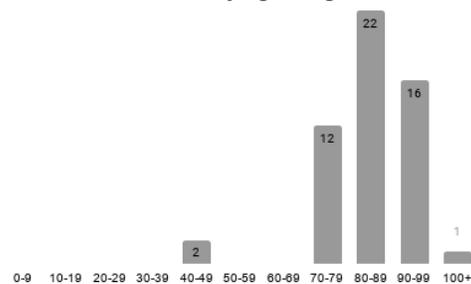

Daily Case Count

Deceased by Age Range

Deceased by Age Range

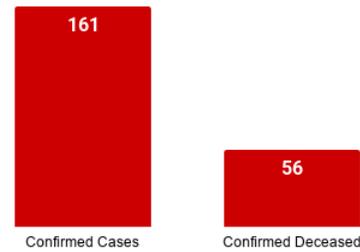

Disclaimer:

Please be advised that the numbers posted here and on the Township website

are those that are reported by Hillsborough Township Health Department based on reports from the NJ Department of Health surveillance system. The reported numbers are only from those individuals who have been tested for COVID-19 and are confirmed positive through an FDA approved laboratory for COVID-19 testing purpose. It does not include those contacts of the positive individuals or any individuals, who are sick and have not been tested.

Hillsborough Long Term Care/Assisted Living Facilities

* Confirmed cases and confirmed deceased from Long Term Care and Assisted Living Facilities may not also be included in the total number of cases above.

The number of cases from the above section by age and deceased cannot be added to the Long Term Care and Assisted Living Facilities confirmed cases and confirmed deceased to get a total case count and a total deceased count. The reason for this is that there are different reporting mechanisms in place capturing that data. The NJ Department of Health surveillance system obtains reports from State run labs. The Long Term Care and Assisted Living Facilities utilize many different labs, State, out-of-state and private, therefore, their numbers are not completely reflected in the total Hillsborough numbers from the State system at this time. That withstanding, you cannot simply add the two sets of numbers either to get a total case count, as some of the LTC/ALF numbers are counted in the State system.

If you are a Hillsborough resident and have tested positive for Coronavirus / COVID-19, please contact the Health Department at 908-369-5652.

The Hillsborough Township Health Department continues to monitor all cases and is working with the State to identify any potential contacts for follow-up. A representative from the Hillsborough Township Health Department will reach out to all individuals determined to have been in close contact with the positive testing persons within 24-48 hours of each case being confirmed.
