[Thank You to the HHS Robotics Team 75 for Supporting the Hillsborough C.A.N.](#)

The HHS Robotics Team 75 RoboRaiders held a community food drive to lend a helping hand this holiday season to Hillsborough families in need. They usually hold a drive at their annual BoroBlast Competition but were unable to do it this year. The team was determined to contribute and adjusted by successfully collecting canned and nonperishable goods to donate to the Hillsborough Community Assistance Network (C.A.N.).

The First Lego League (FFL) robotics program, a global Science, Technology, Engineering, and Math program, holds the FFL Robotics Program Competition, and the BoroBlast event is part of this annual competition.
