## Hillsborough Township Mayor Tomson Seeks Potential Extension of Grace Periods for Tax and Special Assessment Payments

Mayor Doug Tomson is exploring the possibility of proposing a resolution at the next Township Committee meeting extending the grace period for the tax payments and certain special assessments.

"Given the circumstances we are facing with COVID-19, as a municipality we are limited by State Statute in what we are able to do, however, given these unprecedented times we believe this is a situation in which we need to seek assistance for all of our residents," stated Mayor Doug Tomson, in Wednesday's Special daily bulletin released by the Township.

The proposed resolution for consideration at the April 14, 2020 Township Committee meeting would result in the following:

1. For May 2020 Property Tax Payments - the grace period for payment without interest would be extended until June 30, 2020
2. For the Special Assessment Payments that are due on June 1, 2020 for both the Claremont Project and the Sanitary Sewer Project, the grace period for payment without interest would be extended until July 31, 2020

"This is what we are proposing for consideration at the April 14th Township Committee meeting, stay tuned for more information," concluded Mayor Tomson.
