Engineering

If you live in a new development you know there is construction activity around you. New developments are nice but along with the new home is construction equipment, materials, dust noise, mud, etc.

The Engineering Department makes every effort to keep this construction activity away from the occupied homes, but new home construction does have all the nuisance activities as listed.

Township ordinances require construction activity be limited from 7am to 7pm Monday through Saturday. There should be no construction activity

on Sundays except for private homeowners.

If any resident sees construction activity past these hours they should bring it to the attention of the Engineering Department or the Police Department.

Finance

The 2018-2019 Shop Hillsborough credits have been applied to the 3rd quarter property taxes. This year, there were 520 properties that received these credits for a total of \$12,258.91. Property owners will see their credit when the 3rd quarter tax bills are mailed in early July.

Health

Measles Update

Over 800 people in 23 states have been affected by measles this year. Most of those cases have been in the New York metro area, in very close proximity to Hillsborough. In order to prevent the spread of measles, and to protect our vulnerable population, anyone who is exposed to measles may be quarantined for several weeks if they do not have proof of vaccination or immunity.

Please be ready. Have your vaccination records handy. If you don't know whether or not you were vaccinated, or if you have immunity from having the disease, please talk to your doctor about getting vaccinated, boosted, or having a blood test to prove immunity. The vaccination has been studied thoroughly for many years, and it is over 90% effective (2 vaccines are 97% effective). Please help to protect yourself and your community. Be ready.

For more details about measles, please see the NJ Department of Health website: www.state.nj.us/health/cd/topics/measles.shtml.

Dog Licenses

Please be advised that dog licensing is required by NJ law and by local ordinance. Hillsborough requires annual dog license registration. We will continue to conduct a canvass for unlicensed dogs.

Please license your dogs immediately for 2019, and avoid a fine. See the website and go to "How do I?" or go to "Animal Alley" under the Health Department.

Never leave a child unattended in a car

Never leave a child unattended in a car. Not even for a minute. Always lock your car and secure the keys so that your kids can't get to them. Warn your children about playing in and around cars.

Left alone in a vehicle, even for a short time, a child is in danger of:

- Abduction
- Injury
- Dehydration
- Death

If reported to the Police you will be referred to the Department of Child Protection and Permanency and may face criminal charges.

Public Works

The Public Works Department would like to remind everyone that the rainy weather has some of the basin and roadside mowing behind schedule. Thank you for your patience as we are closer to catching up with these tasks.

Recreation

The Recreation Department is excited to announce a new program. Children currently in grades first through eighth can travel to Legend Equestrian in Hillsborough each day to learn about HORSES! Learn about safety on and around horses, barn management, basic anatomy, different horse breeds, grooming, saddle types, tack and harness, and different styles of riding. Practice horsemanship basics and learn about hippo-therapy, an exciting branch of physical therapy. Participants will also enjoy all the other camp activities like a variety of games, arts and crafts. More details can be found on the Parks and Recreation website hillsboroughnjrecreation.org under the Summer Sports Camp page.
