Township Committee Shows Appreciation for Outgoing Mayor McCauley

Each year since 2005, it has been the tradition of the Township Committee to honor the outgoing Mayor with a commemorative gift honoring their Mayoral term. At the January 22nd Township Committee meeting 2019 Mayor Frank DelCore presented 2018 Mayor Gloria McCauley with her commemorative gavel.

Health Officer, Dr. Glen Belnay, Retires After 45 Years of Service

The Hillsborough Township Committee recognized Dr. Glen Belnay for his outstanding service to Hillsborough Township for the past 45 years during the February 12th Township Committee Meeting. The Township Committee, along with all the municipal employees, thank Dr. Glen Belnay for his service to the residents of Hillsborough and wish him well in all of his future endeavors.

Hillsborough Goes Red for Women's Heart Health

The American Heart Association's signature women's initiative, Go Red for Women, is a comprehensive platform designed to increase women's heart health awareness and serve as a catalyst for change to improve the lives of women globally.

In the support of the initiative, Hillsborough Township's Health Department is offering a free blood pressure clinic on Thursday, February 21 from 11:30 am to 12:30 pm in the side multipurpose room. This clinic is for township residents over the age of 18.

Hillsborough Township Recognized by New Jersey Alliance for Action in Conjunction with Somerset County for Route 206 Bypass

Hillsborough Township was recently honored at the New Jersey Alliance for Action's "New Jersey's Leading Infrastructure Projects" awards ceremony. This program was created to highlight innovative, pioneering and landmark construction initiatives that greatly impact the state's economy and to honor the businesses and organizations that work together as partners to ensure the project's success.

Department Updates

Building Department

The Building Department is excited to announce the implementation of a new computer operating system. During the transition, we ask for your patience. On February 28th, the Building Department will be open, but will be unable to accommodate any computer-based operations for this day only. (i.e. scheduling inspections, issuing permits, printing of construction-related documents...) We are working diligently to continue the highest level of customer service. Please make sure to plan accordingly.

The Building Department is also extending the amnesty program to residents and business owners, running until February 28, 2019. This program will excuse residents and business owners from getting penalized for having open permits, having previous work done without permits, failing to obtain a Certificate of Occupancy, and/or have an expired Temporary Certificate of Occupancy. If you visit the Building Department within this allotted time frame, we will assist you with gaining compliance for your projects. Permit fees will still be applicable but, again, you will not be penalized for noncompliance.

Please contact the department with any further questions.

Business Advocate

Save the date! On April 11th the HBA and Affinity Federal Credit Union will host a joint networking event. Stay tuned for more details.

As a reminder, new improvements were made to Shop Hillsborough. Fincredit the administrator of the program is upgrading the system by replacing terminals with android devices, which will allow merchants to scan a QR code. The merchants will use these devices to process your property tax credits. Please visit www.hillsboroughbusiness.org for directions to download your cards QR code onto your smartphone or physically attach to your card. Additionally, Merchants will need to input your registered phone number or card ID. The new system is totally paperless, therefore a receipt will be sent to your registered email address. Remember, you can always check your balance in your account at www.propertytaxcard.com

Engineering

The Engineering Department reminds residents that sump pump piping must be properly discharged. Due to the extreme weather conditions of wet/rain then freezing cold temperatures, the Engineering Department has received numerous calls about sump pump discharges icing and impacting the roadways.

The Township understands that the use of sump pumps is necessary during times of wet/rain conditions, however, if the sump pump discharge ices the roadway the Township may ask that you relocate it to prevent the danger. It is acceptable for the discharge to ice the shoulder / gutter of the roadway (the first 3-4 feet). only if it does not extend into the traveled way or create safety concerns to motorists.

In some cases, sump pump discharge to the shoulder or gutter of the roadway may be better than pumping on lawns which may flow toward adjoining downhill homes. Neighbors should work together to minimize impacts during extreme weather conditions.

Refer to [Township Code for § 341-8: Discharge of stormwater](#) for more information.

Finance Department

Pet owners are reminded that March 1st is the deadline for renewing your dog license without incurring a late fee. Your dog's rabies vaccine must be valid through October 2019. If your vet feels it is too soon to vaccinate your pet, please provide a note stating that, and the license can be issued. Don't forget that you can renew your dog's license online at no cost at www.hillsborough-nj.org, under the "How Do I" section.

Health Department

Radon Kits

Free Radon Test Kits are still available! The local health departments in Somerset County (Greater Somerset Public Health Partnership) have agreed to designate January as Radon Action Month. Radon is a colorless, odorless gas that can be emitted from naturally occurring rocks and soil that contain uranium and radon. The Hillsborough Health Department will continue to distribute free radon test kits to Hillsborough Township residents on a first come, first served basis. Residents can call the Health Department at 908-369-5652 or stop in the Health Department between 8:30 am and 4:00 pm to get a kit. Please see further information on the health website.

Police

Residents are reminded to protect themselves from becoming a victim of personal property and identity theft in their vehicles

- Keep your vehicles locked at all times
- Remove all valuables, especially personal identity items
- If you must leave valuables in your vehicle lock them in your trunk or your glove box
- Keep your valuables out of sight
- It is always better not to leave valuables in your car

Public Works

Public Works has filled over 2,500 potholes from the end of December to the present time. Main roadways are of course a priority as the higher speeds create a more significant impact when a pothole is struck. Despite the wet weather, the department is doing the best that can be done as these conditions compromise the quality of the patch.

The Annual Clean up campaign will begin soon. We are working with a new online provider to facilitate the registration system for the Township Clean Up which takes place at our Auten Rd site. Online registration will be available starting in March.

Seniors 65 and older will be able to pick up their coupons for the Curbside Clean Up at the Public Works building between the hours of 8am and 2pm Monday through Friday starting March 1st.

Residents are reminded to visit the Public Works link on the Hillsborough Township Website for all information pertaining to the department including upcoming programs.

Recreation

Registration Open

- Spring Soccer Registration is open until March 8th for boys and girls aged 3 and up.
- Also open for registration is our girls softball league. Girls softball is open to all girls in Kindergarten through 8th grade.
- Want to try Yoga? We now offer single day registration for Monday classes only. The cost is \$15 per class. [Register online](#) or in person at the Parks and Recreation Department.

Visit the Parks and Recreation website hillsboroughnjrecreation.org for more details.

Spring is just around the corner and the 2019 Parks and Recreation Spring Activities Guide is full of great programs for all ages. Tennis, Golf, Skateboarding, Adult Volleyball and Bocce are just a few of the many activities we offer. Registration is open and more details can be found on the Parks and Recreation website.

Want to keep your kids active this summer? Send them to the Parks and Recreation Summer Camp. Our camps run from June 24th through August 16th for children aged 5-13. We also offer Tiny Camp for 4 and 5 year olds who have not finished Kindergarten. Registration is open and more details can be found on the Parks and Recreation website.

Social Services

Sustainable Hillsborough

Since 2014, Hillsborough Township has collaborated with the Rutgers Cooperative Extension on a 319(h) Clean Water Act Grant from the NJ Department of Environmental Protection on several projects that has engaged the community to adopt green infrastructure practices that help reduce flooding and clean water in the Royce Brook. Numerous projects were completed including the municipal complex rain gardens, rain garden rebate program, Wescott & Amwell Road detention basin retrofit, and phase I of the foxchase pond restoration project. The Rutgers Cooperative Extension is inviting participants to take a survey. The purpose is to determine the influence of incentives and barriers to the residential rain garden rebate program and impacts of the rain garden rebate program in Hillsborough, along with any influence of municipal rain gardens. Participants who complete the survey will receive a chance for a random drawing for a \$50 gift certificate to a local Hillsborough restaurant, The Landing restaurant. To take the survey, an email will be sent out to Hillsborough Township e-News subscribers or visit www.sustainablehillsborough.com.

Hillsborough Vol. Fire Co. 3 to hold 20th Annual Golf Outing

The Woods Road Fire Company will be holding their 20th annual golf outing on Monday June 10, 2019, at Royce Brook Country Club in Hillsborough, New Jersey.

To those who have so generously supported us in the past, we offer a heartfelt thank you and hope that you can once again join us this year. To those of you who haven't previously participated in our outing, we hope you strongly consider joining us. As most of you know, we're a completely volunteer fire company. This fundraiser represents one of our more significant annual fundraising events. In the past, proceeds from the event have helped us address regular building maintenance, deferred maintenance, capital improvements, and retention and recruitment efforts. To say the least, we could not continue doing what we do without your assistance. The attachment provides additional information on how you can participate. We hope you can join us this year for what promises to be a great event. For additional information please email deputychief@hillsboroughfire3.org
