New Jersey Department of Community Affairs, Local Finance Board, Finds No Credible Evidence to Support Alleged Violations of Local Government Ethics Law by McCauley, Ferrera and Borek

Just prior to the 2017 General Election, ethics complaints were filed with the Hillsborough Township Ethics Board against then Deputy Mayor McCauley, Township Administrator Ferrera and Township Clerk Borek. The complaints contained allegations of violations of the Local Government Ethics Law by McCauley, Ferrera and Borek based on Ferrera and Borek's decision to list their respective homes for sale with McCauley who is a long-time friend and local real estate agent in town. Following hearings before the Hillsborough Township Ethics Board, the Board found the complaints lacked merit with no evidence to substantiate the allegations of ethical violations or conflicts of interest on the part of McCauley, Ferrera and Borek.

Department Updates

Building Department

The Building Department has just launched a new computer operating system. Please be patient during this time of transition.

The Building Department extension of the amnesty program ends on Friday, March 29th. This program excuses residents and business owners from getting penalized for having open permits, having previous work done without permits, failing to obtain a Certificate of Occupancy, and/or have an expired Temporary Certificate of Occupancy. Please visit the Building Department before Thursday for assistance.

Business Advocate

Save the date! On April 11th the HBA and Affinity Federal Credit Union will host a joint networking event. Stay tuned for more details.

Engineering

The New Jersey Department of Environmental Protection has snow removal guidelines. It is recommended that residents and businesses avoid piling up snow in front of storm sewer catch basins. This will cause flooding when melting occurs, but the piled snow may contain sand, sediment and other debris which can impact the brooks and streams. Please pile snow as far away from storm sewer catch basins as possible.

Finance Department

Tax Assessment Cards have been mailed. If you need additional information about taxes paid or would like a recap of the property taxes paid in 2018, please contact the Finance/Tax Collector's Office and they will be happy to mail or email you the information.

Health Department

The Health Department has distributed 161 free radon test kits since the start of the program in 2018. There are a few kits still available. Please come in to the Health Department Monday through Friday, 8:30 am to 4:00 pm to pick up a kit.

The first Blood Pressure Clinic was offered on Thursday, February 21st. Another one will be offered on March 21st from 11:30 am until 12:30 pm for all Hillsborough adults age 18 and over. High Blood Pressure is the Silent Killer. Please see the Health Department for more information.

Police

In today's environment never has the term "IF YOU SEE SOMETHING, SAY SOMETHING" been more important. Your tip could potentially thwart the next mass shooting or terrorist attack. The New Jersey Office of Homeland Security and Preparedness offers valuable information regarding emerging threats and suspicious activity reporting tips. This

information is available to the public on their website at WWW.NJOHSP.GOV

This year's event raised a record \$2.3M, which blew past the plunge's \$2M goal. Each year, the Polar Bear Plunge in Seaside hosts the fundraising event for Special Olympics New Jersey. All of the funds raised at this event go towards programming and events for more than 25,000 athletes within the state.

Common pitfalls to be avoided and collaborative advocacy tips will also be discussed. Attendees should walk away feeling prepared to advocate for their child and secure an ironclad IEP. The Woods Road Fire Company will be holding their 20th annual golf outing on Monday June 10, 2019, at Royce Brook Country Club in Hillsborough, New Jersey.

To those who have so generously supported us in the past, we offer a heartfelt thank you and hope that you can once again join us this year. To those of you who haven't previously participated in our outing, we hope you strongly consider joining us. As most of you know, we're a completely volunteer fire company. This fundraiser represents one of our more significant annual fundraising events. In the past, proceeds from the event have helped us address regular building maintenance, deferred maintenance, capital improvements, and retention and recruitment efforts. To say the least, we could not continue doing what we do without your assistance. The attachment provides additional information on how you can participate. We hope you can join us this year for what promises to be a great event. For additional information please email deputychief@hillsboroughfire3.org
