[Hillsborough Residents: Don't Forget to Respond to the Census!](#)

The 2020 Census is happening now! You can complete your questionnaire [online](#), by phone, or by mail.

[C.A.N. Receives Emergency Relief Grant from Griswold Home Care](#)

Hillsborough Township's Community Assistance Network (CAN) received a grant from Griswold Home Care of Somerset County for its work to combat an increase in food insecurity due to the COVID-19 Pandemic.

The money was awarded through the Jean Griswold Foundation's Griswold Gives COVID-19 Emergency Relief Program, which supports senior-focused nonprofits facing a lack of funding, resources and volunteers due to the Pandemic.

"During such uncertain times, it's important to lend a hand to local nonprofits serving the growing number of people in need – especially seniors," said Ted Dzvileski, Director of Griswold Home Care of Somerset County, which is located in Hillsborough. "We're very much a part of the local community and the neighbors of the families we serve. That's why, on behalf of the Jean Griswold Foundation, we are very proud to support our Township's CAN." [NJ American Water Tips for Wise Water Use](#)

- **Reuse it.** Use water from rain barrels and kiddie pools for watering lawn and gardens.
- **Embrace the bucket!** Instead of using a running hose, use water contained in a bucket for washing cars and pets, and rinsing sandy/grassy feet.
- **Timing is everything.** Only water during the coolest parts of the day (early morning or evening) to minimize evaporation. Also, be aware of which plants don't need to be watered every day.
- **Odd/Even Watering of your lawn.** Watering your lawn uses a lot of water, so only water your lawn when it needs it. Generally, lawns only need an inch or so of water per week.
- **Rain delay.** Watch weather forecast to avoid "Mother Nature" re-watering your garden, which could also damage plants.
- **Pick your plants wisely.** Purchase varieties that require less water and remain hearty in drier weather. And don't forget to mulch (only 2-3") to help with water retention.
- **Be a leak detective.** Find and fix leaks and breaks in hoses, sprinkler systems and pipes. For help, download New Jersey American Water's [Leak Detection Kit](#).
- **Raise the blade.** Raise the level of your lawnmower blade to avoid lawn burnout

and the need for watering.

- **Keep an eye out.** Watch your sprinkler's "sweep" to make sure all the water is reaching vegetation that needs it and not the pavement! Check this frequently in case a person or animal has accidentally redirected your sprinkler.

[Updates from the Hillsborough-Millstone Municipal Alliance](#)

[Upcoming virtual programs will be held on June 3rd and June 9th. For information on registration.](#)

- June 3rd: The Partnership for A Drug-Free NJ presenting 15 Minute Child Break
- June 9th: Somerset County hosting a Narcan training

[Parents Who Host - reminder for parents about the consequences of serving underage kids as the summer/grad season approaches.](#)

For the safety of your children and our community, please keep this in mind as you celebrate this accomplishment.

[Greater Somerset County Virtual 5K Walk/Run](#)

Go the (social) distance with Greater Somerset County YMCA's 5K Virtual Walk and Run. Go whenever you want, wherever you want between May 30-June 6 and post your time and pictures on social media using the hashtag #GSCYMCA5K. Use any running app to calculate your distance and time (5K equals 3.1 miles). Let's celebrate what we can do, and the health we have! [Registration is required, sign-up by May 29th.](#)

[Hillsborough High School Field Hockey Team's Homework Helpers Offering Free Tutoring \(click here for more information\)](#)

Online school has its advantages and disadvantages. In efforts to help out younger students who are having difficulties adapting to online school, the Hillsborough High School Field Hockey team is volunteering their time to tutor, read stories and answer school-related questions to younger kids via email and google meet. The team is available to help out grades K-8. The team has girls who are skilled in Math, Science, History and English. [Read more.](#)

UNDERBOROSAFE

suicide awareness for everyone • 1-800-273-TALK

Hey Hillsborough! Since May is Mental Health Awareness Month, it's the perfect time to let you know about some important changes to BorosAFE. In addition to educating everyone about suicide awareness and prevention, we are expanding our focus to encompass the whole continuum of mental health issues.

NEW

Our Mission:
BorosAFE is a community collaborative with an aim to provide access to mental health resources, emotional well-being best practices, and suicide prevention resources across the entire Hillsborough Community.

Our Goal:
To proactively connect our community with resources so that we can all care for our emotional well-being, no matter where on the mental health continuum we may fall.

• Please look for us at future events in the surrounding community! • We will be able to provide you with many resources and information! • Website relaunch: Coming soon!

• Contact: Chad Berman & Kristen Saleeba (co-chairpersons) BorosAFE@gmail.com •

COVID-19 Hillsborough Reported Case Update

[COVID-19 Case Information is updated daily on the Township website](#)

	Hillsborough	Millstone	Somerset County	New Jersey	United States
CASES	369	2	4,059	161,545	1,802,470
DEATHS	52	NA	419	11,770	105,157
RECOVERED	182	NA	NA	NA	NA

Breakdown of Hillsborough Township Cases As Reported by Hillsborough Township Health Department

Daily Case Count

Positive Hillsborough Township Cases by Age Range

Deceased by Age Range

Disclaimer:

Please be advised that the numbers posted here and on the Township website are those that are reported by Hillsborough Township Health Department based on reports from the NJ Department of Health surveillance system. The reported numbers are only from those individuals who have been tested for COVID-19 and are confirmed positive through an FDA approved laboratory for COVID-19 testing purpose. It does not include those contacts of the positive individuals or any individuals, who are sick and have not been tested.

Hillsborough Long Term Care/Assisted Living Facilities

* Confirmed cases and confirmed deceased from Long Term Care and Assisted Living Facilities may not also be included in the total number of cases above.

The number of cases from the above section by age and deceased cannot be added to the Long Term Care and Assisted Living Facilities confirmed cases and confirmed deceased to get a total case count and a total deceased count. The reason for this is that there are different reporting mechanisms in place capturing that data. The NJ Department of Health surveillance system obtains reports from State run labs. The Long Term Care and Assisted Living Facilities utilize many different labs, State, out-of-state and private, therefore, their numbers are not completely reflected in the total Hillsborough numbers from the State system at this time. That withstanding, you

cannot simply add the two sets of numbers either to get a total case count, as some of the LTC/ALF numbers are counted in the State system.

If you are a Hillsborough resident and have tested positive for Coronavirus / COVID-19, please contact the Health Department at 908-369-5652.

The Hillsborough Township Health Department continues to monitor all cases and is working with the State to identify any potential contacts for follow-up. A representative from the Hillsborough Township Health Department will reach out to all individuals determined to have been in close contact with the positive testing persons within 24-48 hours of each case being confirmed.
