Remembering K9 Officer Marco

It is with sadness that we report the passing of K9 Officer Marco. K9 Marco (Kondro) was obtained by a donation from Dr. Caesar DePaço and Deanna Padovani-DePaço. He was subsequently trained and certified in Patrol/Narcotics in 2015. Since his start, he was successful in seizing quantities of illegal narcotics, tracking suspects, and being utilized to locate missing hikers and children. During his tenure, Marco seized approximately \$75,000 in multiple drug operations with the DEA and FBI. Marco retired in October of 2021. He was 12 years old when he died from irreparable internal masses.

Rotary Club Expands Book Donation Program

Thanks to the overwhelming generosity of Hillsborough residents, the Rotary Club of Hillsborough Used Book Donation Program has expanded to include a second book donation bin at the Iron Peak sports facility at 137 Mountain View Rd. The bin is located at the front entrance of the sports complex. Along with the first book donation bin at the Township Municipal Building, the New Legacy Books bin program collects and resells the donated books and provides a percentage of sales to The Rotary Club of Hillsborough Foundation.

Hillsborough is One of the Safest Cities in America

Hillsborough is one of the safest cities in the United States according to [MoneyGeek](#), coming in at number 45. MoneyGeek focused on municipalities

with populations between 30,000 and 100,000 and used standardized crime statistics reported to the FBI. To determine crime rates per 100,000 people, MoneyGeek used the FBI's population data. Thank you to the Hillsborough Township Police Department and the entire community for helping our town to continue being one of the best places to live in America.
