During the month of October, scarecrows will once again grace the grassy knoll & winding pathway beside the Rain Garden at the Municipal Complex. Inspiration for your creation:

Traditional - Pay homage to the scarecrows that have been "scaring crows" from farmers' fields for centuries in this category. Utilize old cloth, straw, and natural supplies.

Thrills & Chills - "It's Alive!" Create a scarecrow that scares. Ideas: You're only limited by your darkest nightmares.

Fantasy-Mythical Creatures - the possibilities are endless!

Upcycled - Repurpose and reimagine found objects into a scarecrow that is more than its parts.

Character - Create a scarecrow interpretation of your favorite book, tv or movie character: human, animal or animated!
