Kirsten Clerico Selected as Delegate to Attend the 87th National 4H Conference

Kirsten Clerico, currently a Senior at Hillsborough High School, has been involved in the Somerset County 4H for thirteen years. Kirsten participates in three different 4H clubs including the Woof Dog Club, Grade A Beef Club and Senior Council Club.

Kirsten was one of six New Jersey teens selected as a conference delegate to attend the 87th National 4H Conference in Washington, DC in November 2017. The National Conference provides a forum for nearly three hundred 4H members giving teens a voice in program development for future 4H direction.

Mayor McCauley and the Township Committee recognize and extend their sincere congratulations to Kirsten for her outstanding accomplishments in the Somerset County 4H.

February is National Teen Dating Violence Awareness and Prevention Month

National Teen Dating Violence Awareness and Prevention Month started in 2016 as an initiative created by President Barack Obama.

Dating violence may include physical force, such as hitting or shoving; emotional abuse, such as constant monitoring; or sexual assault. Teens are easily influenced by their early relationships, and the example set by those relationships can have a lasting impact on their lives.

Violent dating relationships can lead to depression, anxiety, drug and alcohol abuse, and thoughts of suicide. Approximately one in ten teenagers report being physically or sexually victimized by a dating partner, while many other victims do not report it at all.

All Americans have a role to play in ending dating violence and fostering safe, healthy environments for teens and young adults.

The Mayor and Township Committee declare February as National Teen Dating Violence Awareness and Prevention Month and encourage all Hillsborough residents to join the campaign and

Pictured: Committeeman Frank DelCore, Student Representatives from HHS with advisors Rebecca Balaguer and Karen Sare, Mayor Gloria McCauley and Deputy Mayor Doug Tomson

become concerned about the violence that occurs every day to our country's teens in the hope of reaching a day where no young person knows the pain caused by dating violence.

Hillsborough High School Hosts 18th Annual Winterguard Festival

On Saturday, February 3rd, the Raiders were host to the 18th Annual Hillsborough High School Winterguard Festival. Over 40 performing groups from the Tri-State area participated.

Mayor Gloria McCauley and Committeeman Carl Suraci were in attendance to help award some of the trophies and were lucky enough to have the opportunity view Hillsborough High School Winterguard's exhibition performance.

The Hillsborough Winterguard's next performance will be at South Brunswick High School on Saturday, March 3 and they will conclude their season with the MAIN Championships at South Brunswick HS on Saturday, April 21.

Hillsborough Township's 2018 Green Living and Wellness Fair Set for Saturday, June 2nd - Save the Date

In Partnership with the YMCA – 18th Annual Hillsborough YMCA HOP 5K

"The Annual Green Living and Wellness Fair will be held on Saturday, June 2nd, in conjunction with the Hillsborough YMCA HOP 5K", announced Committeeman Frank DelCore.

The Fair, which will be held rain or shine, is from 8 - 11 a.m. at the Peter J. Biondi Municipal Building.

Participating local businesses will have informative presentations, displays and demonstrations to raise awareness of the many facets of living a healthy lifestyle, including making sound nutritional choices,

making long-term life planning decisions, choosing a green lifestyle as well as many health screenings.

There will be a poster contest open to all school aged Hillsborough residents to design a "Living Green" themed poster. Submitted posters should communicate a positive message on the benefits of living a Green Lifestyle, on an 8 ½" x 11" size paper. Please include name, address, home phone number, age, grade and school on the back of the poster. Posters must be submitted to the Administration Office by Friday, June 1st at 4:00 pm for consideration for the contest. All participants will receive a certificate of participation from Mayor McCauley and finalist prizes will be presented at a future Township Committee meeting.

Business Advocate

*Sponsorship
Opportunity - Run
Around the Park*

The Hillsborough Township Department of Parks and Recreation is busy making plans for the 5th Annual Run Around the Park, a non-competitive, family friendly 3 mile run/walk through at Ann Van Middlesworth Park and Woodfield Park. Each year, this event brings 150 to 200 people of all ages to participate in the run/walk. In an effort to continuously improve the event while keeping registration fees low, the Department of Parks and Recreation have made various levels of sponsorship available for the Run Around the Park. By sponsoring the event, your business or organization will gain positive publicity and a sense of community pride. If a business is interested in becoming a sponsor please contact the Recreation Department at 908-369-4832.

Engineering

*Do you know how
many miles of
roadway
Hillsborough
Township
maintains?*

The Engineering Department would like to make residents aware of the many miles of roadways and sidewalks within the Township that needs to be maintained. The public must understand that when a roadway has a pothole or a sidewalk is uneven the Township will temporarily repair the condition as soon as possible, but it needs to be noted that the Township has 530 lane miles of roadways and 115 miles of sidewalk that need to be maintained. To put that in perspective NJ to Maine is approximately 500 miles or NJ to South Carolina is approximately 500 miles so we would like the public to realize the monumental amount of roadway

and sidewalks that require maintenance by our Public Works and Engineering Departments. With our aging roads and sidewalks the Township Departments are working as best as they can to assist every resident with their roadway and sidewalk concerns.

Finance

*Final Reminder for
Dog License
Renewal*

*2017 Tax Payment
Information
Available from Tax
Collector's Office*

Pet owners are reminded that all dog licenses must be renewed by March 1st, after which a \$5.00 late fee will be assessed and a failure to license ticket may be issued. For those pets who cannot have their rabies vaccine done by March 1st on the advice of your vet please send a note from your vet along with the renewal form and the license will be issued.

DOES YOUR DOG HAVE A LICENSE?

By now you should have received the green post card from the Assessor's office. Please be reminded that this card shows the assessed value and taxes billed for 2017. It does not reflect what you paid. The Tax Collector's office would be happy to provide you with a print-out of your 2017 payments via fax, email or mail, so please do not hesitate to contact them for that information.

Health Department

*February is Heart
Health Month*

Heart Disease is the number one killer of men and women in the US. Any of these risk factors may increase your risk:

- Family history
- Age- most heart disease occurs in those age 65 and over
- Sex- most cases are in men
- High blood pressure
- High cholesterol
- Smoking
- Obesity
- Diabetes

Please check out the [Health Department's Disease Prevention Page](#) for information on how heredity affects your risk for diseases such as heart disease under My Family Health Portrait and "How is Your Heart Hillsborough?", which is an information tool developed by nurses at the Raritan Valley Community College.

It is also important to be aware of the signs of a heart attack. According to the American Heart Association, these signs include:

1. Pain or discomfort in the chest lasting more than a few minutes, or goes away and comes back. It may feel painful, or like a squeezing, or feeling of fullness in the chest area.
2. Shortness of breath with or without chest pain.
3. Pain or discomfort in other areas of the upper body. Pain or discomfort in one or both arms, back, neck, jaw, or stomach.
4. Other symptoms may appear such as breaking out in a cold sweat, nausea, or lightheadedness

If you have any of these symptoms, you could be having a heart attack. Call 911.

*Hillsborough
Township Hazard
Mitigation Plan
Update*

Natural hazards have the potential to cause property loss, loss of life, economic hardship, and threats to public health and safety. While an important aspect of emergency management deals with disaster recovery (the actions that a community takes to repair damages), an equally important aspect of emergency management involves hazard mitigation - sustained actions taken to reduce long-term risk to life and property. They are things we do today to be more protected in the future. For example, elevating or

acquiring buildings in flood hazard areas, relocating critical facilities out of hazard areas, using fire-resistant construction materials in wildfire hazard areas, etc. Hazard mitigation actions are essential to breaking the typical disaster cycle of damage, reconstruction, and repeated damage. With careful selection, they can be long-term, cost-effective means of reducing risk and helping to create a more sustainable and disaster-resilient community.

A hazard mitigation plan describes an area's vulnerability to the various natural hazards that are typically present, along with an array of actions and projects for reducing key risks. This project list is known as a "mitigation strategy." While natural disasters cannot be prevented from occurring, the continued implementation of mitigation strategies identified in the plan will gradually, but steadily, make our communities more sustainable and disaster-resilient.

Project Medicine Drop

The Hillsborough Police Department would like to remind residents of Project Medicine Drop. Located in the Police Department Lobby is a drop box for the disposal of unwanted medication. Access is available 24 hours a day seven days a week. Protect your loved ones by disposing of unneeded medications. Liquids and hypodermic needles are not permitted.

Public Works

Pothole Repairs

Senior Curbside Pickup

The Department of Public Works has been putting much of our attention into the pothole repairs throughout the town. Many of the repairs are temporary at best because of the adverse conditions we are working in. Potholes on main roadways will be addressed first then working our way to the development roads.

Senior Curbside Pick - up coupons may be picked up at the Chapter A and B Senior meetings in March or beginning on March 1 at the information desk located at the Municipal Building or the Department of Public Works between 7 am. and 2 pm. located at 21 East Mt. Rd. next to the YMCA.

Do NOT Crowd the Plow: Maintain a Safe Distance

Snowplows are large and operators cannot see directly behind the truck.

- **YELLOW STROBES Means Go Slow! SLOW DOWN** When You See a Snow Plow! Snowplows travel at a slower speed; the most common crashes are motorists hitting the rear end of the plow. Stay alert and watch for a plow's amber strobe lights.
- **Do NOT Pass a Snow Plow on the Right!** Many plows are equipped with a wing plow: a 6-8 foot extension on the right-hand side of the plow. The wing is difficult to see and can do damage to a passing car.
- **Do NOT Pass in a Snow Cloud!** Be sure the road ahead is clear of vehicles or snow drifts before attempting to pass on the left. A snow cloud could be caused by crosswinds or a snowplow, so be patient!
- **REMEMBER: Snow Plows Do More Than PLOW!** Plow trucks also spread salt and deicing agents, and these can spray your car. Maintain a safe distance between your car and the plow truck and be extremely cautious before passing on the left.

Discover the Luck of the Irish with SCLSNJ this March

The Somerset County Library System of New Jersey's (SCLSNJ) 10 Library branches will commemorate Irish culture through an exciting series of creative and educational programs during the month of March.

"SCLSNJ is ready to don lucky green to celebrate all things Irish," said Marcela Dunham, SCLSNJ's program coordinator. "Families can enjoy traditional Irish music and dance performed at various locations throughout the Library System. Adults can learn about the history of Saint Patrick and participate in a book discussion of 'Dubliners (This link opens in a new tab)' by James Joyce, led by Professor Timothy Martin from Rutgers University. Our younger patrons can also join in the fun by following the leprechaun's trail and making specially-themed crafts at our participating branches."

**Township Committee Once Again Partners with School District for
Scholarship Competition**

*Three \$1,000 Statewide Scholarships Available Through the
New Jersey League of Municipalities'
"Louis Bay II Future Municipal Leaders Scholarship Competition"*

Mayor Gloria McCauley announced Hillsborough Township's participation in the New Jersey League of Municipalities' Louis Bay II, Future Municipal Leaders Scholarship Competition. "The Township is once again teaming up with the Hillsborough School District providing students a chance to participate in this scholarship competition," announced Mayor McCauley at Tuesday's Township Committee Meeting.

The purpose of this scholarship program is to advance the virtues of elected and volunteer positions in municipal government while raising awareness of municipal government in general.

"We are delighted to partner with the Township through the New Jersey League of Municipalities to participate in this scholarship competition opportunity for our students," commented Dr. Jorden Schiff, Superintendent of Hillsborough Township Schools.
