### Route 206 Construction

Beginning at approximately 9:00 PM on Friday, March 30th there will be nightly construction on Route 206 in the vicinity of Mountain View Drive. The nightly construction will continue until approximately 7:00 AM each morning. During this time, motorists should expect traffic pattern changes and possible delays.

## Apex Sports and Events (Apex) Project Takes Next Steps

### Complex Offers Both Indoor and Outdoor Recreational Activities

"Hillsborough Township and Somerset County are excited to announce the anticipated expansion of facilities adjacent to Mountain View Park with the inclusion of Apex Sports & Events, expected to open in 2019," announced Mayor Gloria McCauley at Tuesday's Township Committee meeting. The next step in the process is for Apex to go before the Planning Board on April 5th for site plan approval.

Somerset County, in partnership with Hillsborough Township, preserved 369 acres to establish Mountain View Park which provides local residents with year-round sports and recreational opportunities. The Apex development complements the existing facilities at Mountain View Park and will offer outdoor artificial turf fields as well as an indoor sports complex. The indoor sports complex will also boast an artificial turf field, basketball and volleyball courts, and a kids' adventure area with rock climbing and other family-friendly activities.

"This type of facility will play a key role in satisfying the need for additional sports activities for our residents," stated Hillsborough Mayor Gloria McCauley.

## March is American Red Cross Month

American Red Cross Month is a special time to recognize our everyday heroes and thank those who contribute to the mission of the Red Cross. Whether through time, money or blood, all are encouraged to support the Red Cross in helping people in need down the street, across the country and around the world.

The American Red Cross provides 24-hour support to members of the military, veterans and their families, training in CPR, aquatics safety, first aid to millions and collects about 40 percent of the nation's blood supply. Last year the American Red Cross experienced a record breaking year filled with challenging domestic and international response efforts.

In Hillsborough, the Red Cross works tirelessly through its employees and many volunteers to support the Township when disaster strikes, when someone needs life-saving blood, or the comfort of a helping hand.

*Pictured: Committeeman Carl Suraci, Committeeman Frank DelCore, Freeholder Mark Caliguire, Sean Andersen from the American Red Cross Board, Mayor Gloria McCauley, and Deputy Mayor Doug Tomson*

The members of the Hillsborough Township Committee, in conjunction with the President of the United States of America, do hereby declare March as American Red Cross Month. We encourage all Americans to support this organization and its noble humanitarian mission.

## March in National Nutrition Month

National Nutrition Month® started in 1973 as National Nutrition Week and as popularity

grew, National Nutrition Month® was established in 1980.

The theme for 2018's National Nutrition Month® is "Go Further With Food". There is a need for continuing nutrition education and to encourage a wide-scale effort to enhance good eating practices.

National Nutrition Month®, a nutrition education and information campaign sponsored annually by the Academy of Nutrition and Dietetics, helps spread the word about the importance of a healthy diet and regular exercise.

***Pictured: Committeeman Frank DelCore, Freeholder Mark Caliguire, ShopRite of Hillsborough's Registered Dietitian Samantha Nuzio, Mayor Gloria McCauley and Deputy Mayor Doug Tomson***

The members of the Hillsborough Township Committee in conjunction with the Academy of Nutrition and Dietetics and ShopRite of Hillsborough do hereby declare March as National Nutrition Month® and encourage all Hillsborough residents to join the campaign and become concerned about their nutrition and the nutrition of others in the hope of achieving optimum health for both today and tomorrow.

## HTPD Honors Top Cops

The Hillsborough Township Police Department continues its Top Cop program intended to recognize the performance of its top rated Officers. The award recipients are determined based upon a score obtained from their Annual Job Performance Evaluations, along with a ranking achieved from their respective supervisors and peers. As a result of their hard work, an acknowledgement of the award is placed in the Officer's permanent Personnel File and a special award bar is presented to each Officer, to be worn above his uniform badge. In addition, the Officers' names will be engraved on a plaque displayed in the lobby of Police Headquarters memorializing each year's winners since the program's inception in 1996. The two officers selected for this year's program are Patrolman Paschall and Patrolman McCarthy.

***Patrolman Paschall***

Patrolman Paschall has been a member of the Department since 2001, and has served in both the Patrol and Investigative Divisions. He is the recipient of several Command Citations and received the Department's Medal of Merit in 2003 for capturing carjacking suspects. He also received the MADD Law Enforcement Distinguished Service Award in 2014 for his efforts in enforcing DWI Laws. This is his second year in a row being selected as Top Cop.

Patrolman McCarthy has been a member of the Department since 2008, and has served in the Patrol Division during the entirety of that time. He is the recipient of several Command Citations, as well as several Supervisory Commendations. He also serves as one of the Departments Field Training Officers. This is his second time being selected as Top Cop, having previously been selected in 2015.

## South Branch Reformed Church Recognized for Many Years in Hillsborough

South Branch Reformed Church was recognized at the March 27th Township Committee Meeting for its 168 years of being in Hillsborough. The church, established in 1850, continues to flourish and grow and offers multiple services such as youth groups, fellowship clubs, bible studies, preschool services, and more. With its involvement with youth and dedication to the community, the South Branch Reformed Church continues to be a vital spiritual center for Hillsborough.

## Mayor Attends Legislative Day in Trenton

On Wednesday, March 14, 2018, Mayor Gloria McCauley traveled to Trenton to attend the 26th Annual Mayors' Legislative Day.

The Mayors' Legislative Day is a unique occasion for local leaders to interact with individuals who are responsible for setting the agenda for Property Tax Reform, Affordable Housing, Pension and Health Benefits Reform, Transportation and Utility Issues. It is also a great way to hear, first hand, about the State's legislative agenda from the Administration officials and key members of the Senate and Assembly at the start of the new legislative session. Following the Panel Discussion and Hall of Fame Inductees Ceremony, local leaders had an opportunity to ask State Leaders questions that directly impact their municipalities.

## Engineering

### *Maintaining Easement surface area is Homeowner's Responsibility*

Please note that property owners are responsible for maintaining the surface area of easements located on residential property. This includes swales, drainage ditches, streams, etc. If the areas where the easement is located needs attention due to downed trees or, silted, blocked or settled surfaces, the maintenance is handled by the private property owner. The Township does not own the property. The easement exists to allow a utility company access to underground utilities or to provide drainage from uphill areas. The utility company and/or the Township are only responsible for the underground piping and/or wiring. The easement restricts property owners from altering or blocking these drainage flow easement areas.

## Finance

### *Homestead Benefits*

The State of New Jersey has processed payment of the 2015 Homestead Benefit Credits. The Finance office will be mailing revised 2018 2nd quarter tax bills to those individuals who received this credit. This year, 2,048 Hillsborough property owners received the rebate, for a total of \$587,782.20.

## Youth Invited to Leadership Unplugged

Freeholder Deputy Director Brian D. Levine invites county youth in grades seven to 12 to enjoy a "Leadership Unplugged" event on Saturday, April 14, from 5:30 to 9:30 p.m. at the Ted Blum 4-H Center, located at 310 Milltown Road.

Admission is \$2, which includes refreshments. Seating is limited to the first 150 registrants. Youth can register online or contact Sarah Murchison, Somerset County Human Services, at 908-704-6307 or [murchis@co.somerset.nj.us](mailto:murchis@co.somerset.nj.us).

"This is the 19th year that Somerset County is hosting a 'Safe Night' program," said Freeholder Deputy Director Levine, human services liaison. "The program brings youth from around the county together in a fun-filled, safe environment. It also provides an opportunity to share experiences, make new friends and learn leadership and coping skills."

The evening will be a fun experience with many activities, including a magic show, origami, yoga, team building, "Heads-Up" and minute-to-win-it games.
