Judge Richardson Retires After 10 Years of Service

The Honorable John Richardson, a Judge with the Hillsborough Township Municipal Court, is retiring after ten years of dedicated service.

Judge Richardson attended Dartmouth College and Rutgers University School of Law. He presided as a Somerset County Superior Court Judge from 1999 to 2002.

In addition to sitting on the bench in Hillsborough, he served as the Judge of Watchung, North Plainfield, Green Brook and South Bound Brook.

Judge Richardson has been married to his wife June for 54 years and has a daughter and a son.

The Township Committee does hereby express our gratitude for all of the hard work and dedication of Judge John Richardson in the Hillsborough Township Municipal Court.

The Township Committee, along with his numerous co-workers, and the citizens of Hillsborough Township thank Judge Richardson for his valuable service to Hillsborough Township, and we wish him well in all of his future endeavors.

Hillsborough Recognizes April as Autism Awareness Month

Autism is a Pervasive Developmental Disorder that manifests itself and affects the social, learning, and behavioral skills of those affected by it.

Autism is currently estimated to affect 1 in 68 children nationally, with rates being highest in New Jersey where the diagnosis rate for a child with an autism spectrum disorder in New Jersey has increased to 1 in 36.

Autism is said to affect boys four and a half times more than girls and knows no racial, ethnic or social boundaries, and neither income, lifestyle, nor education affects the occurrence.

A single specific cause of autism is not known, but current research links it to biological or neurological differences in the brain, as well as environmental assaults and neurotoxins.

Accurate, early diagnosis and the resulting appropriate education and medical intentions are vital to the growth and development of the individual.

Those with Autism need equal access to education, employment opportunities, community-based housing, family services, coaching and support, and medical treatment.

Organizations and individuals such as Autism New Jersey, Autism Speaks, Hillsborough Board of Education's Special Services Department, Hillsborough Department of Parks & Recreation, Hillsborough Police Department, Hillsborough Rotary Club, Hillsborough Unico, Hillsborough Volunteer Fire Companies No.1, No. 2, and No. 3, Legend Equestrian, Mission Cognition, Neshanic Fire Company, Norz Hill Farm, Organization for Autism Research (OAR), Office of Emergency Management (OEM), Somerset County Sheriff's Office, Somerset County Special Olympics and Somerset County Therapeutic Recreation enhance awareness throughout our community by providing quality care, support or services to individuals diagnosed with Autism.

The Township Committee declares April as National Autism Awareness Month and vows to continue to support programs dedicated to Hillsborough's special needs community.

April is Alcohol Awareness Month

Alcohol is the most commonly used addictive substance in the United States with one in every

12 adults (17.6 million people) suffering from alcohol abuse or dependence. An estimated 90,000 people die each year from excessive use of alcohol such as: drinking and driving crashes, falls, fires, alcohol - related homicides and suicides and other accidents.

More than half of all adults have a family history of alcoholism or problem drinking and more than 10% of children live in a household where at least one parent is dependent on or has abused alcohol.

Young people aged 12-20 years old drink 11% of all alcohol consumed in the United States with 90% of this being binge drinking. People who begin drinking before age 15 are five times more likely to develop alcohol dependence than those who begin drinking at age 21.

Alcohol related problems cost America \$224 billion (\$746 per person) in lost productivity, absenteeism, healthcare costs, crime and family - related problems.

Kids who have conversations with their parents and learn a lot about the dangers of alcohol and drug use are 50 percent less likely to use alcohol and drugs than those who don't have such conversations.

The Hillsborough/Millstone Municipal Alliance envisions having our local community understand that alcohol use and abuse is a chronic condition that can be successfully prevented and treated. The Municipal Alliance is a committee of volunteers who work tirelessly

Pictured: Committeeman Frank DelCore, District Life Skills Coordinator Minda Maggio, Jane Staats and Deputy Mayor Doug Tomson

to provide programs focusing on education and prevention for all members of the community.

We hereby join the National Council On Alcoholism and Drug Dependence, Inc. (NCADD) in proclaiming April 2018 as Alcohol Awareness Month in Hillsborough Township.

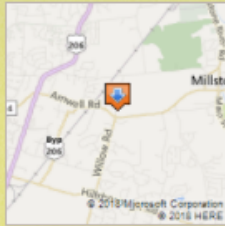

We call upon all Hillsborough citizens, parents, governmental agencies, public and private institutions, businesses, and schools in Hillsborough Township to support the efforts that will reduce stigma, increase community awareness and increase support for individuals and families coping with alcoholism. Through these efforts, together, we can provide "Help for Today, Hope for Tomorrow" for those in our community who are facing challenges with alcohol use and abuse.

Engineering

Property owners are responsible for maintenance and upkeep of their storm water facilities

The Engineering Department reminds property owners (mainly businesses and homeowner associations) that they are responsible for maintenance and upkeep of their storm water facilities (i.e. detention basins, catch basins, piping etc.) Lack of maintenance will cause additional flooding to adjoining properties. In addition, per Township Ordinance, all property owners with private storm water facilities are required to submit a report to the Engineering Department each year certifying that storm water facilities are maintained and operating as designed.

Hillsborough Township Recognized as Exceptional in its Commitment to Safety in the Workplace

Due to the diligence of the Township employees, the Central Jersey Joint Insurance Fund has recognized Hillsborough Township as "Exceptional" in its commitment to safety in the workplace for 2017 and has awarded the Township \$5,000 to be used to promote safety in the workplace in 2018. In the first 3 months of 2018, there have been no lost time work injuries to any Township employee. These are great accomplishments - thanks to all of the municipal employees for their continued commitment to providing a safe work environment!

Health

*Get Ready For Spring
Be Animal Aware*

Spring is finally here! During this season, the Health Department receives many animal bite reports and wildlife complaints, including attacks on people and pets by rabid wildlife. It is important that residents avoid contact with wild or stray animals, and it is important that pets be currently vaccinated against rabies. Rabies is a fatal disease.

Avoid attracting wildlife, rats, and mice to your home. Avoid feeding wildlife, even birds. If you do have bird feeders, clean the dropped seeds off the ground daily, if possible. Avoid feeding pets outdoors. Once wildlife and vermin take up residence on your property, they are difficult to get rid of. Do not feed pets outdoors.

If you have an infestation problem, an expert should be contacted to remove the vermin to protect pets from poisons, and to prevent animals from dying behind walls and causing odors. Please note that there are laws that prevent the relocation of wildlife. If you trap an animal, you will not be able to relocate the animal elsewhere. You will need to contact a wildlife expert to come and take the animal to a refuge. You could also be bitten or scratched and require the rabies postexposure treatment.

Be sure that all pets and farm animals are currently vaccinated against rabies. If your dog or cat is bitten or scratched by a wild animal, and your pet does have a current rabies vaccination, it still may need a booster vaccination to stop the virus.

Dog Licensing is a state law. Hillsborough's annual dog license canvassing program will begin soon with Animal Control Officers canvassing the Township for unlicensed dogs. **If your dog is not licensed, you will be fined!**

Prevent dog bites - talk to your veterinarian about training if your dog is fearful, overly protective, or aggressive.

Visit "[Animal Alley](#)" under the health department on the township website at www.hillsborough-nj.org for information about rabies, dog licensing, preventing dog bites, and other animal issues.

Police

Pedestrian and Bicycle Safety

With the anticipated arrival of Spring weather, motorists should be prepared to encounter an increase in pedestrian and bicycle traffic on the roadways. Motorists must stop for pedestrians in crosswalks. Pedestrians must use crosswalks to cross the street and should always walk facing traffic. Bicyclists should wear brightly colored clothing and must use lights if riding during hours of darkness. Pedestrian and bicycle safety is a shared responsibility. The Police Department has received a Pedestrian Safety Grant and will be conducting enforcement and educational patrols targeting pedestrian and bicycle violations.

Public Works

NJ Tree Recovery Campaign

In 2012 Superstorm Sandy left many communities with dead and damaged trees. The New Jersey Tree Recovery campaign is a partnership between the Arbor Day Foundation and the NJ State Forestry Service that focuses on providing trees to homeowners and communities who lost their urban canopy in the wake of Hurricane Sandy.

Free Seedlings to be Distributed to Residents on Saturday, April 28th

As reported by the Arbor Day Foundation, more than 332,982 trees have been distributed to date and many more are still needed. Hillsborough Township has partnered with these organizations to provide our residents with seedlings to replant missing trees.

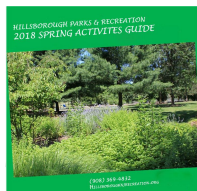

On April 28th between 7am and 3pm, Hillsborough Township Department of Public Works will distribute 6" - 24" high bare root tree seedlings to residents at our Auten Road Facility. Each resident can receive up to 5 seedlings. Quantities are limited and distributed on a first come, first served basis. You do not need to be registered for the annual clean up program in order to obtain the seedlings. Hillsborough residents will be required to show proof of residency upon entering the site.

Chris Korenowsky Brings Over Three Decades of Library Expertise and Excellence to Somerset County Residents

The Somerset County Library System of New Jersey's (SCLSNJ) new Director of Public Services Christopher "Chris" Korenowsky began working in public libraries when he was 15 years old.

"I don't know anything else besides libraries, I don't remember a childhood or a life without the public library," explained Korenowsky. "I saw this posting and I knew this was my dream job. I've been looking for a position that is exactly this, a position that would really play to my strengths and would allow these same strengths to become an asset to the library I am serving. I want to be on the floor, in the branch, working with customers, and focusing on public service management."

Korenowsky will join the System as their newest public services director beginning April 16. Korenowsky, a graduate of Kent State University with his Master of Information Management and Library Sciences and Ohio State University with his Bachelor of Arts in English Literature, will replace W. Keith McCoy who is retiring after over 40 years of library service.

"I found Mr. Christopher Korenowsky to be extremely forthright and unequivocal in his responses to our inquiries; but more importantly, he convincingly imparted a positive and refreshing outlook that was underscored with an undeniable sense of confidence and authority," said Library commission personnel committee member Dr. Anthony T. Suriano. "He is experienced, knowledgeable, and indeed approachable. I am certain that he will make a noteworthy contribution to the Somerset County Library's ongoing and concerted efforts to perfect the services that it offers its patrons."

Fashion Show Raises Funds for Project Graduation

The Hillsborough Project Graduation held its Annual Fashion Show fundraiser on Saturday, March 24 at Hillsborough High School. Over 300 people attended the international-themed event with over 50 Hillsborough student models and many student and parent volunteers.

The event began with a local restaurant Food Tasting where attendees sampled a variety of entrees and desserts including shrimp cocktails, dumplings, pasta, meatballs, spanakopita, fried tacos, pulled pork, cupcakes, cookies and more. The funds raised will help pay for the Project Graduation event held for the graduating seniors on June 19, the night of graduation. This is a free night for all graduating

Hillsborough seniors. It's a drug and alcohol-free event, providing a safe and fun-filled alternative to "party hopping" and keeping the graduating students safe. Last year, 80% of the senior class attended for free. The only requirement is signing up!

Additionally, a warm thank you to our community leaders Michele Sarik, Robin Kimmelman and Donna Hands along with their committee leads such as Maria Marnell, Renee DelCore, Sharon DellaFera, Lisa Gulla, Amy Brandwein and Hedily Wendover. In charge of the fashions and hair for the evening were Susan Pristas, Illyse Tynan and Melissa Dunigan.

Furthermore, another thanks to our community sponsors; they donated time, food, beverages, dresses, hair styling and make-up applications: Ama Pizzeria, Angelos, Applebees, Blue Sheep Bakery, Cafe Picasso, Chicken Holiday, Costco, Culinary Creations, Dunkin' Donuts, The Falafel House, Jumbo Palace, La Costenita, Lenny's, The Landing, Mariana's, Mexican Family Restaurant, QuickStop, Roman Gourmet, ShopRite, Sodexo, Star Diner, Tender Lovin' Grill, The Landing, Wegman's, Weis Market, Dante Zeller Tuxedo, Agape Bridal, Isabelle's Bridal, KiKi D's, Trendz, Ultimate Fashions, Lord and Taylor, Adam and Eve Salon, Beyond the Fringe, Hair Plus, Legends and Renaissance.

Contact Robin Kimmelman at rkimmelman@yahoo.com and Donna Hands at dmchands@aol.com if you would like more information, would like to volunteer or purchase ShopRite gifts cards which help pay for the final Project Graduation event for the Hillsborough High School seniors. The gift cards are dollar for dollar.

Applications Being Accepted for Youth Leadership Somerset

Deadline is May 16

Youth Leadership Somerset, a leadership development program for Somerset County youth entering grades 9-12, is accepting applications for the 2018-2019 program year, which runs September through May. Classes are held one Saturday per month for approximately four to six hours. The application deadline is **Monday, May 16**.

"Somerset County is dedicated to investing in our youth and leaders of tomorrow," said Freeholder Director Patrick Scaglione, liaison to the youth leadership program. "The Youth Leadership Somerset program helps students expand their critical thinking, collaboration and communications skills. Participants will be introduced to community leaders and challenged to explore current issues that impact their communities."

The application is available on the county website - [Youth Leadership Somerset Application 2018](#). Students are asked to complete the online application and upload one letter of recommendation. The

application should be submitted by 11:59 p.m. on May 16.

Candidates will be selected in June. Those accepted to the program will receive a full scholarship to ensure that financial status is not a barrier.
