Hopping around Hillsborough

Mayor Gloria McCauley sounded the horn for the start of the 18th Annual Hillsborough Hop 5K. Runners took to neighborhoods near the YMCA at the Annual 5K event which ended at the Municipal Complex. Congratulations to all the participants in this year's event.

Green Living and Wellness Fair Huge Success

The Annual Green Living and Wellness Fair held in conjunction with the YMCA Hillsborough Hop was a huge success. Mayor Gloria McCauley stopped by to visit the various exhibitors. Stay tuned to future e-news for a complete listing of all the participating organizations.

Hillsborough Receives Healthy Somerset Recognition

On Thursday, June 7th, Hillsborough Township was included among awardees from Somerset County, who received recognition for dedication to employee wellness, by offering a variety of activities and education, to keep employees healthy and productive. This is Hillsborough's third award over the past 3 years of this recognition being offered, and the second Gold Award for Workplace Wellness.

Township to Collect Scenic Photos for the "2019 Town Calendar"

"The Township is pleased to be working with Town Planner Calendar to produce a 2019 color printed calendar which will be mailed out to every residence in Hillsborough, at no cost to our taxpayers," announced Mayor Gloria McCauley at Tuesday's Township Committee Meeting.

"The printing of the calendar is funded through the various advertisements contained within the calendar," added Mayor McCauley.

Department Updates

Building Department

Things to Know if you are Planning to Install a Deck

This summer, if you are planning on installing a deck, there are a few things you need to know.

First visit the Hillsborough Zoning Department to obtain a Zoning permit. Before submitting to the Building Department, it is suggested that you pick up a handout for deck installations and read it through carefully. The Building Department application will require the following documents:

- Zoning Approval
- Permit application folder
- Building Subcode Technical section (tech card). Please note that additional tech cards may be required if you are installing Electric or Plumbing.
- If you have hired a builder, include a copy of the Home Improvement license
- 2 copies of plans are required (plan requirements/details are in the Deck Handout). In New Jersey, only Home Owners and Design Professionals (i.e - Architect or Engineer) are allowed to draw these plans. Your contractor is not permitted to draw the plans.

For any Additional questions, please Contact The Building Department or stop in for further information.

Engineering

New Amwell Road Repavement - Residents Should Schedule New Utility Hook-Ups ASAP

The Engineering Department would like to inform residents that New Amwell Road will be repaved in the next few weeks. The Township requests that residents who live on the section of roadway being repaved, that have planned new utility hook-ups to their homes, should arrange for them to be completed ASAP. Utility hook-up usually requires an excavation of the roadway and the Township requests this to be completed prior to the repaving.

Additionally, deteriorated curbs on the section of the roadway being repaved will be replaced. Affected residents will be without use of their driveways approximately 3-5 days. Residents will be notified of parking arrangements.

Health

Lyme Disease Prevention

Warm weather is finally here and we are all spending more time outdoors. Although we are getting fresh air and exercise, we are also exposed to ticks which carry disease. The most prevalent tick borne disease is Lyme Disease, which is carried by the Deer Tick, otherwise known as the Black Legged Tick. Click below to view an educational video about tick bite prevention put together by the Hillsborough Health Department.

Police

Graduation Season

This time of year the Police Department normally sees an increase in calls for loud parties and underage drinking. State law restricts adults, not only from providing alcohol to underage persons, but also from allowing their property to be used for underage consumption of alcohol, even if they themselves did not provide the alcohol. Residents are asked to be mindful of legal & safe celebrations this graduation season.

Temporary Handicap Parking Permits

Residents with a temporary disability can apply for a Temporary Disabled Parking Placard that is valid up to 6-months, and must apply in person to the Police Department. However, the Police Department obtains the placards from the NJDMV, and they are currently behind on their shipments of placards. Residents applying for placards can expect a delay in receiving it until the problem is rectified at NJDMV.

Recreation

Parks & Recreation is proud to announce the addition of two new pickleball courts, located on the basketball courts of the Willow Road Complex. All you need to bring is your paddle and ball!!

There is still time left to register for this summer's activities, such as summer day camp, as well as summer sports camps, most of which are being run by the HHS Coaching Staff.

Save the date of June 30th for this year's Independence Day Celebration Fireworks, located at Auten Road School. Shuttles from the high school will begin at 5PM, with the fireworks shooting off sometime around the 9:30PM time frame. Come and enjoy offerings such as live music, food tent, inflatable attractions and pay to play boardwalk games.

Library

Father's Day is Sunday, June 17th. All SCLSNJ's branches will be closed, including the Hillsborough Branch of the Library.

Your Home, Your Haven: Backyard Friends and Foes (adults)
June 19, 7-8 p.m., SCLSNJ's Hillsborough Library branch, located at 379 South Branch Road in Hillsborough

Master Gardener Lorna Fletcher will discuss how to attract certain wildlife to your backyard and how to protect your yard from destructive wildlife.

Take your feet to the streets and enjoy the day with family & friends along the scenic D&R Canal
Sunday, July 8th, and Sunday, August 12th

You asked and we made it happen! On two upcoming Sundays, Canal Road will be closed to vehicular traffic between Griggstown & Rocky Hill from 10 am to 4 pm. Bring your family and friends, pack water and a snack and stroll leisurely or ride your bicycle down traffic and noise-free Canal Road to view historic homes from the street. For a change of pace, you can choose to get closer to nature and take the scenic route back to Griggstown along the canal path.

This event made possible by Millstone Valley Scenic Byway, Franklin Township and the Franklin Township Police Department. To learn more about Millstone Valley Scenic Byway, visit their [website](#). For a more detailed history of the Millstone Scenic Byway check out Linda Barth's book entitled "*The Millstone Valley Through Time*".

Friday, June 15 @ 7:00-8:30 PM - Second Floor of Farm Barn, Duke Farms

You've heard of the Delaware River, but have you heard of this island? Petty's Island sits between Philadelphia and Camden and is the fourth-largest island in the Delaware River's path. With a long history of owners, the now uninhabited island holds much potential for environmental conservation. However, preservation wasn't always at the forefront when it came to Petty's Island.

Join us at Duke Farms for the screening of documentary film "500 Acres of Controversy: Saving Petty's Island". We will begin the night with hors d'oeuvres, commence film viewing, and conclude with a Q&A with Duke Farms Executive Director and Natural Lands Trust Committee Chairperson Michael Catania and Natural Lands Trust Real Estate Coordinator Manager Cari Wild.

Want to read up before you watch? You can learn more about Petty's Island [here](#).

School News & Updates

Seeking Old Triangle Road School Photos

Triangle Elementary School, home of the Tigers is taking a look back in history to its early days. Built in 1962, Triangle School is a twin to Woodfern Elementary. They are seeking historical photographs of the School for a project. If you have any photographs to share, Triangle School will scan them and return the original pictures to you. Please send items to Amy Mele, Triangle School 156 S. Triangle Road, Hillsborough, NJ 08844. They will also accept scanned photographs, sent to amele@https.us. Any information you can provide about the year and subject of the photographs is greatly appreciated! Stay tuned for the end result of this amazing project.
