Rotary Club of Hillsborough Hosts Community Holiday Packing Event for Troops Abroad

Community Volunteers Needed

Hillsborough, N.J. November 12, 2019. A caring message and a few simple pleasures from home can make a big difference to our service men and women serving abroad. That is the underlying reason of Operation Streamline, a Hillsborough-based, non-profit organization dedicated to providing our troops serving abroad with their favorite snacks and beverages. The Rotary Club of Hillsborough is proud to support their mission for the eighth year with the Club's annual holiday packing event, scheduled for **Saturday, December 7**, from **10:30 AM to 2 PM**, at the Hillsborough YMCA, 19 East Mountain Road, Hillsborough, N.J. Members of the community are invited to participate in this special event to assemble the gift packages.

"Being away from home during the holidays can be difficult for anyone," commented Rotary Club of Hillsborough President, Tricia Merciano. "Spending the holidays deployed in a foreign and often hostile environment away from family and friends is a difficult time of the year. That is why we must do our part to ensure they know we care."

The annual packing event draws hundreds of community volunteers, young and old, who help assemble the food items and beverages that fill the many boxes that are then shipped overseas to our troops. Volunteers from the Boy Scouts and Girl Scouts, veteran and service organizations, and entire families come out each year to show their support. To help make the event festive and fun, there is

[Public Health Info: Adolescent Immunization Campaign - Protect Me With 3+](#)

The Partnership for Maternal and Child Health of Northern New Jersey, in collaboration with the New Jersey Department of Health, is hosting the eighth annual Protect Me With 3+ adolescent contest. The contest raises awareness about the importance of adolescent immunizations among preteens, teens and parents to increase vaccination rates for: tetanus, diphtheria, acellular pertussis (Tdap), human papillomavirus (HPV), meningococcal conjugate (MenACWY), and flu vaccination.
