### [Hillsborough Township Committee Denounces Racism](#)

In light of the recent tragedies in Minneapolis, Minnesota and throughout the nation that have again shone a light on racism, the Hillsborough Township Committee passed a resolution at Tuesday's meeting condemning racism.

"We are profoundly saddened by the deaths and condemn all forms of racism," stated Mayor Doug Tomson when the resolution was taken separately for a roll call vote. "As a Township and a Community we support and protect all of our residents regardless of ethnicity, race, faith, sexual orientation, or gender. In fact, we took a proactive approach earlier this year and on January 28, 2020 issued a proclamation in honor of the National Day of Racial Healing," added Mayor Tomson. [Read more](#)

Township of Hillsborough

**Resolution Condemning All Acts of Racism and Bigotry in Our Community**

**WHEREAS**, recent tragedies in Minneapolis, Minnesota, and throughout our nation have again shone a light on systemic racism and the current and historically disparate treatment of African American and black people in our country; and

**WHEREAS**, we are saddened at the murders of Ahmaud Arbery, Breonna Taylor, George Floyd, and countless others and Hillsborough Township condemns all forms of racism and supports and protects all its residents no matter their ethnicity, race, faith, sexual orientation, or gender; and

**WHEREAS**, Hillsborough Township is proactive regarding this sensitive topic and on January 28, 2020 issued a proclamation in honor of the National Day of Racial Healing; and

**WHEREAS**, we support and commit to calling out hate and discrimination when we see it and help promote our core American values that no one should be targeted because of their identity; and

**WHEREAS**, violence and hate crimes create fearful and unstable communities; and

**WHEREAS**, as public servants we have an even greater responsibility to speak out against racism, discrimination, bias, and hatred because when the unacceptable becomes the norm in our society, human rights for all are threatened; and

**WHEREAS**, Hillsborough Township affirms and commits to protect the rights of all people; and

**WHEREAS**, hate will not be tolerated, and we will stand together to fight any form of bigotry, discrimination, or bias, in speech or action against any group, from whatever the source;

**NOW, THEREFORE, BE IT RESOLVED** by the Township of Hillsborough, County of Somerset, State of New Jersey that the Hillsborough Township Committee wholeheartedly condemns the actions and injuries that have again brought division and crisis in our community and across these "United" states and that Hillsborough Township commits to working on ways in which we can engage our communities to address and against institutionalized racism and implicit bias and offer spaces for dialogue, trainings, and understanding.

**THEREFORE BE IT FURTHER RESOLVED AND REAFFIRMED** that Hillsborough Township will maintain constant vigilance with regard to its own public safety policies and actions and do everything in its power to make certain that Hillsborough is and will remain a welcoming community opposed to acts of racism and bigotry.

### [Reduce / Reuse Household Waste in Hillsborough](#)

While recycling is still extremely important, the most effective practices are aimed at reducing the amount of waste each of us create, and to find ways to reuse as much as possible. Making new products requires more materials, energy, and money than reusing. Finding ways to reduce and reuse is the best way to save natural resources, reduce the amount of material that is dumped in a landfill, and save money. [Read more](#).

### [Sustainable Hillsborough:](#)

For the months of February and April 2020, Nikita Agarwal from Girl Scout Troop #60364, as part of her Gold Award project, partnered with Hillsborough Township to conduct the Hillsborough Compost Challenge 2020. A digital and in-person outreach and was initiated to spread awareness about the importance to compost.

This effort included a green challenge component where 360 Hillsborough households pledged, exceeding the 2.5% of the population requirement for Sustainable Jersey. This accounts for almost 1 ton of waste that would be removed from every 100 tons disposed.

Congratulations to Nikita on her excellent work and to Kristina Stump for winning the a free compost bin. To learn more about composting, please visit [sustainablehillsborough.com](http://sustainablehillsborough.com).

## Daily Case Count

### Positive Hillsborough Township Cases by Age Range

### Deceased by Age Range

### Disclaimer:

Please be advised that the numbers posted here and on the Township website are those that are reported by Hillsborough Township Health Department based on reports from the NJ Department of Health surveillance system. The reported numbers are only from those individuals who have been tested for COVID-19 and are confirmed positive through an FDA approved laboratory for COVID-19 testing purpose. It does not include those contacts of the positive individuals or any individuals, who are sick and have not been tested.

### Hillsborough Long Term Care/Assisted Living Facilities

\* Confirmed cases and confirmed deceased from Long Term Care and Assisted Living Facilities may not also be included in the total number of cases above.

The number of cases from the above section by age and deceased cannot be added to the Long Term Care and Assisted Living Facilities confirmed cases and confirmed deceased to get a total case count and a total deceased count. The reason for this is that there are different reporting mechanisms in place capturing that data. The NJ Department of Health surveillance system obtains reports from State run labs. The Long Term Care and Assisted Living Facilities utilize many different labs, State, out-of-state and private, therefore, their numbers are not completely reflected in the total Hillsborough numbers from the State system at this time. That withstanding, you cannot simply add the two sets of numbers either to get a total case count, as some of the LTC/ALF numbers are counted in the State system.

**If you are a Hillsborough resident and have tested positive for Coronavirus / COVID-19, please contact the Health Department at 908-369-5652.**

The Hillsborough Township Health Department continues to monitor all cases and is working with the State to identify any potential contacts for follow-up. A representative from the Hillsborough Township Health Department will reach out to all individuals determined to have been in close contact with the positive testing persons within 24-48 hours of each case being confirmed.
