Disclaimer:

Please be advised that the numbers posted on the Township website are those that are reported through the Somerset County Department of Health based on reports from the NJ Department of Health surveillance system. Somerset County completes their count at a specific time during each day. The numbers reported are from that point in time. Also, the reported numbers are only from those individuals who have been tested for Covid 19 and are confirmed positive through an FDA approved laboratory for Covid 19 testing purpose. It does not include those contacts of the positive individuals or any individuals, who are sick and have not been tested.

If you are a Hillsborough resident and have tested positive for Coronavirus / COVID-19, please contact the Health Department at 908-369-5652.

The Hillsborough Township Health Department continues to monitor all cases and is working with the State to identify any potential contacts for follow-up. A representative from the Hillsborough Township Health Department will reach out to all individuals determined to have been in close contact with the positive testing persons within 24-48 hours of each case being confirmed.

NJ Residents with a Positive COVID-19 Test: **Instructions & Next Steps**

News from the Township

Hillsborough Township's Negotiations Mitigate **Affordable Housing Impact**

Hillsborough Township announced that it has reached a settlement with Fair Share Housing regarding its state mandated Affordable Housing obligations. The settlement will result in Hillsborough Township having only to build an additional 195 affordable housing units, beyond what has already been approved. This result stems from the Township's ongoing negotiations with Fair Share Housing to minimize the impact of the mandate as Hillsborough Township was the final municipality in the Vicinage to settle with Fair Share Housing, out of the 55 filing municipalities.

“Throughout the process, the Township's underlying theme was to minimize the obligation while addressing the responsibilities that the State of New Jersey has mandated upon us as to affordable housing,” stated Mayor Doug Tomson.

Hillsborough Municipal Services are open to serve both our residents and business community, despite the Municipal Building being closed. Hillsborough Township employees have conducted business continuity training exercises for many years for emergencies such as this, which allow Municipal Offices to be fully operational during COVID-19. The Township Departments will continue to deliver services through new and innovative ways, while keeping social distancing, health and safety first and foremost. We appreciate everyone's patience and understanding through these ever changing times. Below are photos of Hillsborough Township Departments delivering the services that you have come to expect from Hillsborough Township, along with a brief listing of some of the available services. Additional information and services will be included in future bulletins.

Engineering

- Engineering inspections occur outside and adhere to social distancing requirements
- Permit applications available online and can be mailed to the office
- Permit reviews for projects conducted by both in office and remote staff
- For more information visit the Engineering Department's [website](#)

Health

- Maintaining COVID-19 health records and reports for Township
- Issuing marriage license
- Issuing death certificates
- Conducting septic installation inspections
- For more information visit the Health Department's [website](#)

Office of Emergency Management

- The Hillsborough Township Office of Emergency Management (OEM) continues to work to ensure the safety and well being of the residents, employees, businesses and visitors of Hillsborough Township.
- For more information visit the OEM [website](#)

Social Services
