Important Information Regarding General Election

Registered voters can take part in early in-person voting beginning October 23rd through October 31st. Voting will take place in the Municipal Building on Sundays from 10 a.m. to 6 p.m. and all other days from 10 a.m. to 8 p.m.

For 2021 there will be three ways an eligible voter can cast their ballot in the November 2nd General Election:

1. **Mail-in ballots**
2. **In-Person Early Voting**
3. **In-Person Election Day**

Mail-In Ballots

Mail-in ballots must be requested by the voter. Those who have previously requested to be sent ballots for upcoming elections will automatically be sent a mail-in ballot by the Somerset County Clerk's Office on or soon after September 18th. New requests for a mail-in ballot will be processed within three days, and a ballot will be mailed out in that time frame.

Mail-in ballots may be cast in one of three ways:

1. Bring a completed mail-in ballot to the Board of Elections at 20 Grove Street in Somerville during working hours and before 8 p.m. on November 2, 2021;
2. Place a completed mail-in ballot in one of the 17 secure [drop box locations](#).
3. Have a completed ballot postmarked before 8 p.m. on November 2, 2021. Ballots sent through the US Post Office must arrive at the Board of Elections by 8 p.m. on November 8, 2021, to be counted.
4. *Mail-in ballots cannot be returned to any polling location.*

In-Person Early Voting

For the first time, New Jersey voters will be able to vote in person at early voting polling places. Somerset County will have six locations open from October 23 to October 31 which will operate on Sundays from 10 a.m. to 6 p.m. and all other days from 10 a.m. to 8 p.m. Early voting is considered a completed vote, and cannot be amended later.

The early voting location in Hillsborough is at the Municipal Building, 379 South Branch Road, Hillsborough NJ.

In-Person Election Day

The 2021 General Election will be held on November 2nd at polling locations throughout Somerset County. If you are unsure of where you can vote on election day, you can use this [Polling Location Locator](#).
